PREFACE

After my father and grandfather died, I realized that I knew nothing of the Morrow family beyond these two and was not acquainted with anyone by the Morrow name. When my children were on their own, I was determined to learn something of them.

I found out there were many Morrows in the Mantua Community of Pickens County (Greene County since 1867) during the 1820 to 1885 period, but they all died or left there soon after that. My hardest and most complex work was done on trying to get proof of who of those three oldest Morrow men in Mantua was my ancestor. When I finally had proof it was William Nelson Morrow, then I wanted to know who were his parents and from where in South Carolina did he come.

Wavely Barbe at the University of Alabama gave me my first lessons on how to search for genealogy and also lent me a new book, *Tennessee Cousins*, by Worth Ray. In this were some 30 pages on Morrows. I began writing those in South Carolina that Ray mentioned. One day an answer to one of these letters came, and it told me my next ancestor was Samuel Morrow. This letter was from Mrs. C. J. Seawell of Kershaw, S.C. in 1953. I had a pleasant visit with this dear lady before she died. With this big start, I have not yet stopped, enjoying every minute of it.

After going as far as I could with the Morrows, I started on other families of mine and on all of Heston's (my husband). Heston went with me on all trips. I could never have gone alone. He enjoyed the new places and people as much as I did and thrilled with me every time I found a new one. So much credit goes to him and also to the encouragement from our children and relatives.

I had great fun gathering this but I would never have compiled it, if it had not been for my nephew, Bob Morrow. I thought I could not do it. It's sure to have some mistakes as nothing's perfect. I have proof of most of this and that which I do not, I have stated that it's questionable.

I want to thank the many people who have given me information and would like to name them but won't, fearing I might miss one. I hope all of you descendants will take this and add to it.

I will explain how I have numbered these Morrows. The first digit of each number will be given to one of the children of Samuel Morrow the first. The second digit numbers each one's children.

Example: Serial # 8237

8 is for David the 8th child of Samuel the first.

2 is for Samuel the 2nd child of David.

3 is for David Chrisholme 3rd child of Samuel.

7 is for Hannah the 7th child of David Chrisholme.

Some recent generations may not be numbered, but by using this formula, a serial number can be established for any member any time.

Explanatory Notes

The late Worth S. Ray of Austin, Texas gathered more data on genealogy in the shortest time than any one I have known of. He put more than 30 pages on the Morrows who came early to the United States in his book, *Tennessee Cousins*. Since we descend from some of these, I'd like to use his chart of them to begin this history, and here it is:

1. Daniel Morrow*

2 Daniel	3 David*	4 Jonathan	5 Owen
18 Dorothy	21 David	25 William	40 Owen
19 Daniel	22 Alexander*	26 Dorothy	41 William
20 John	23 John	27 John	42 John
	24 Ann	28 Walter	43 Richard
		29 August	44 David
		30 Adam	45 Mary
		33 Daniel	
		34 Katherine	

6 Henry	7 Thomas	8 William
31 Christopher	Thomas	William
32 Richardson	Elizabeth	John

1 to 3 generation

22 Alexander	25 William	28 Walter	29 August
50 David*	60 David	70 Samuel	75 John
51 Jeremiah	61 Samuel	71 John	76 Eliza
52 Alexander	62 William	72 Mary	77 Margaret

3 and 4 generation

50 David	60 David	70 Samuel

103 Adam	107 Sarah	124 Margaret
104 John	108 William	125 Dorothy

* Shows our line of Morrow's according to Ray's chart.

Ray gives some or much on all these. I will begin this history with Samuel (102) who is son of David (50), son of Alexander (22), son of David (3), son of Daniel (1), according to Ray's work. I have never checked any of his above information. I began my searching with Samuel (102) whom I will call Samuel the first.

Samuel Morrow, I and His Descendants

SAMUEL MORROW, I. (102)

From now I will refer to Samuel (102) as Samuel Morrow, I. He came from Maryland to Chester District, S.C. by 1765, for there is a land grant to him of 100 acres of land located on south fork of Fishing Creek, Craven District, S.C., dated 10 Oct 1765. There's no record of him selling this, but it was not unusual then for deeds not to be recorded, and there's none of him buying immediately on arriving in Spartanburg.

In his pension application Samuel, Jr. says "and the fall of the year (1779) before Charleston was taken my parents moved in this District Spartanburg." It's such a pity he didn't give the name of his parents for I'd have perfect proof of who they were, but as I'm using this circumstantial evidence that this Samuel (102) is the father of my Samuel (b. 1760 in Md.):

Issued the 16th Oct. 1784 to Mr. Samuel Morrow Sen'r for £40 2 shillings and 10 pence farthing Sterling for 281 days Militia duty in 1780 as per acc't audited. He sold his acc't to John McCreary 19 Feb. 1785 in Camden District. (Found in Stub Entries to Indents for Rev. Claims, L-N. for the State of S.C. #290)

From the Sec. of State Office, Columbia, S.C., I find that on the 2nd Nov. 1789 Samuel Morrow was granted 180 acres of land in 96th District, S.C.

In the 1790 census of the 96th District, Spartanburg Co., S.C., there is a Samuel Morrow household with 1 male above 16 years, 0 under 16 years, females 0, slaves 3. So this shows he was living alone with 3 slaves.

Will of Samuel Morrow, Sr. Spartanburg District, S.C. (Box 19 pkg. 16), made 9th Feb. 1796—recorded 18 July 1796. (Exact words). "Want my estate personal and real be sold, negroes all together as its my desire that they be not separated. Settle my debts and give remaining part to Robert Elder to be enjoyed by him." Executors: Geo. Bruton and Wm Smith. Witnesses: Abraham Humber, Lee Clark, and Thomas Thornton.

Looking over the papers in the package with his will, I made note of this: Capt. Samuel Morrow (Samuel, Jr.) bought more than any one at the sale—319 lbs. worth—naming some: 3 negroes, 1 tract of land with crops, oats, etc., cattle of all kinds, hogs, a stallion, cooking utensils, spoons, etc., tub, bucket, blankets, wheel, bed cover, coats, linens, grindstone, table, chest, pail, cupboard, trunk, bell, bedtick, stockings, timbers.

Deed Book M, p. 342, Spartanburg, S.C.

"Jan. 5, 1811 Whereas Samuel Morrow late of said county and state deceased, on 9th day Feb. 1796 in his will the said Samuel Morrow directed his Executors to sell his the said Samuel Morrows whole estate, real and personal and whereas the said Samuel Morrow did on the 13th of May 1796 depart this life and on the 18th day of July 1796 the Executors were qualified and on the 10th day of Aug. 1796 expose the land of the said estate for sale at which time Samuel Morrow, Jr. bid off the same at the sum of 61 # that plantation or tract of land whereon the said Samuel Morrow late-

ly lived and did contain 180 acres, situated and lying in said District on Poplar branch of Dutchman Creek." Sold by the Exrs: William Smith and George Brewton. Witnesses: William N. Morrow and Isaac Smith.

Deed Book R, p. 52, Spartanburg, S.C.

On 16th Dec. 1817 Samuel Morrow (b. 1760 Md. sometimes called Samuel, Jr. or Capt. Samuel or Major Samuel) sold to his oldest son John Morrow "all that tract or parcel of land which was conveyed to me by Wm. Smith and Geo. Brewton, Exrs. of Samuel Morrow, Sr., deceased the conveyance bearing date 5 Jan. 1811 and the original grant being granted to the above Samuel Morrow, dec'd by his Excellency Charles Pinckney bearing date 1789, situated on the Poplar branch of Dutchman Creek—180 acres." Witnesses: David and Robert Morrow.

We do not know the name of the wife of Samuel Morrow, Sr. (102). She may have been a McClure or Gaston, for Samuel, Jr. said that Capt. John McClure was his cousin. She died in Spartanburg Co. between 1779 and 1790. There is good circumstantial evidence that these are their children and there may have been more.

- 1 George Morrow b about 1742 m (1) Mary Calhoun, (2) Mary Mecklen.
- 2 Robert Morrow b about 1744 m Mrs. Jane Peden Morton.
- 3 Mary Morrow b about 1749 m ? Elders.
- 4 John Morrow b about 1752 m Mary Kelso.
- 5 William Morrow b about 1755 ? .
- 6 Jane Morrow b about 1757 m James Foster, Jr.
- 7 Samuel Morrow b 1760 m Janett Nelson.
- 8 David Morrow b 1762 m Margaret Kelso.
- 9 Thomas Morrow b 1765 m Jane McCarter.

Since Samuel left his estate to Robert Elders, I like to think that this Robert was his grandson whom he may have lived with or who care for him in his old age. But at this time we do not know anything more about the Elders or Mary (3).

All I know about William (5) is that David who is son of John Morrow (4) says in his application for a pension that he remembers his "Uncle William Morrow."

George Morrow and His Descendants

GEORGE MORROW (1)

George is the ancestor of the Jefferson Co., Ala. Morrows. He left Penn. (that part which is now Maryland) with his young family about 1762 and came to Orange Co., N.C. From there he followed some "Regulators" led by Jacob Mattox to Wilkes Co., Ga., leaving there just before the Revolutionary War and coming to Abbeville District, S.C. Because of trouble with Tories and Indians, George took his family to the Tyger River area in S.C. during the last years of the war. After the war he moved back to Abbeville District where he remained the rest of his life. (From his son Hugh's Pen. Appl. 7254.)

George made a will the 10th of March 1790, and it was proven the 6th of April that year. He names his wife Mary and the children (Abbeville Box 109 pkg. 3035).

On the 12th of Jan. 1819, Mary made her will, and it was proven the 12th of Aug. 1822. She names sons: James and George Meckline, daughter Margaret Brown, and a granddaughter Elizabeth Brown (Abbeville Box 60 pkg. 1429).

George was married twice, first to Mary or Jain Calhoun and second to Mary Mecklin. I do not know in what order their children were born, but I will give them in the order he named them.

- 11 Hugh Morrow.
- 12 John Morrow
- 13 Jane Morrow.
- 14 Margaret Morrow.
- 15 Mary Ann Morrow.
- 16 James Morrow
- 17 George Mecklin Morrow.

HUGH MORROW (11)

Hugh was born in Pennsylvania in 1764. He enlisted in the Revolutionary War from Abbeville District, S.C. when he was 16 years of age. After the war he went to Rutherford Co., N.C., then to Knox Co., Tenn., then to Logan Co., Ky., and came to Jefferson Co., Ala. about 1822. In 1843 he went to Pontotoc Co., Miss. to live with his son George. His wife is not known or if there were other children. I feel sure there were and that Matthew Morrow may have been one (Pension Application #7254).

GEORGE MORROW (111)

I am giving this George Morrow #111 because he is the only one that I have proof of being a child of Hugh #11, and not that number as oldest of Hugh's children. I am sure Hugh had other children and likely some older than George but I am unable to prove it.

George was in Jefferson Co., Ala. during the 1830 and 1840 census, and he is made guardian of 5 minor children of his and his wife Sarah, deceased (OC Minutes 1832-7 p. 337 of Jefferson Co. Ala.). There is a marriage record of a George Morrow and Sarah Thompson in Christian Co., Ky. April 12, 1819. This fits in some ways to be theirs.

He married the second time Jan. 21, 1836 to Eleanor Nickson (Nixon) in Jefferson Co. Ala. (Book I p. 89). In a land deed in that county, book 7 p. 211 reveals that Eleanor was the widow of Henry Nickson and that they had an infant, Sanders H. Nickson. By August 1843 they were living in Pontotoc Co., Miss. for Hugh requests his pension be sent there, as he was living there with his son George (S 7254).

The 1850 census of Pontotoc Co., Miss. shows George was born in 1795 in S.C. and Eleanor in 1794 in N.C. with the following children in their household:

- 1111 Eliza Emeline Morrow b 1825.
- 1112 Hannah Catherine Morrow b 1827.
- 1113 Thomas Thompson Morrow b 1829.
- 1114 John Chapman Morrow b 1831.
- 1115 Ewing Guthrie Morrow b 1834.
- 1116 Mary Morrow b 1837.
- 1117 Sarah Morrow b 1838.
- 1118 Harriet Morrow b 1841.
- 1119 Julia Morrow b 1843.
- 111J Matilda Morrow b 1845.

I regret that I have not had the opportunity to learn more about this George and his descendents.

JOHN MORROW (12)

John and his wife Mary moved from S.C. to Logan Co., Ky. (now Warren Co.) in 1805-08, where he froze to death 1813. Their children were:

- 121 Hugh Morrow.
- 122 George Morrow went to Arkansas 1820-32.
- 123 John Morrow went to Arkansas 1820-32.
- 124 Jane Morrow went to Arkansas 1820-32.
- 125 Catherine Morrow went to Arkansas 1820-32.
- 126 Daughter who remained in Warren Co., Ky.
- 127 Daughter who remained in Warren Co., Ky.

This information came from a letter written by Mrs. Eloise Morrow Watters of Birmingham, Ala. She own the Bible of her grandfather, Hugh Morrow (121), containing records of his family as follows:

HUGH MORROW (121)

Hugh was born Feb. 6, 1805 in Abbeville District, S.C. and died July 17, 1889 at Trussville, Jefferson Co., Ala. His parents carried him about 1806-

1808 to Logen Co., Ky.—the part that later became Warren Co. He left South Union, Ky. and came to Elyton, Jefferson Co., Ala. Sept. 1825. He taught school until 1833, and in January of that yeare, he married Margaret Holmes, the daughter of James Holmes and Sarah Killough of Enon, Ala. She was born Aug. 27, 1815 and died June 22, 1891 at Trussville; both are buried there.

He moved from Elyton to Trussville in 1858, so he might have a larger place for his family. He was circuit judge for 25 years. Mrs. Watters says that he would not name a one of his sons Hugh because he had been so mixed up with hi suncle Hugh Morrow, but every one of his children named one Hugh; that Hugh's (121) mother was a Mary Calhoun. Since his grandmother was a Mary Calhoun, I thought this might be a mistake, until I saw that Abbeville District was full of Calhouns at that time, even Marys, so it's possible.

I can give the name of only one of his children and that is Hugh Morrow III and his wife Janie who have three children, Hugh IV, Libby, and Dorothy Anne. Hugh III was born in 1931 and has represented Alabama in its House and Senate for 12 years, as well as served on the Advisory Committee of City National Bank.

On one of our trips looking for ancestors in 1958, we stopped at a grocery store in Edgefield, S.C. to get a coke. The owner was a G. W. Morrow, the son of John Morrow, the son of James Holmes Morrow. He said he came to Edgefield to visit his sister, Mrs. Gilcreast and had stayed there. I have no information about the other children of James Holmes.

Sarah was born Feb. 15, 1837 at Elyton, Jefferson Co., Ala., and died there Aug. 14, 1863. She married Dec. 22, 1858 to G. W. Hewett. They had only one child, John J. Hewett, b Dec. 10, 1859 m Ida Drayton in Oct. 1885.

Robert Morrow and His Descendants

ROBERT MORROW (2)

Dr. J. T. Morrow of Alpine, Texas is a descendent of Robert. He has worked diligently to correct a widely published mistake and gathered sufficient evidence to show that Robert was the Morrow who married the widow, Mrs. Jane Peden Morton, and not Samuel; also Robert was the son of Samuel Morrow, Sr. (102) and a brother of my ancestor Samuel Morrow, Jr. (1760-1842).

So many have asked if we Greene Co., Ala. Morrows are related to those in Morgan Co., Ala. to which I can say yes. They all came from an area which was at that time claimed by both Maryland and Pennsylvania. So that's why some of them say they are from Maryland and others of the same family say they are from Pennsylvania. They all came to Chester Co., S.C.

Robert and Jane married in Chester Co., S.C., but soon after moved to the Fairview Presbyterian Church Community in Greenville Co., S.C. In their old age they moved to Morgan Co., Ala. They settled in the Six Mile Presbyterian Church Community about 6 miles from Somerville. Now most of what is left at this home site is only the family cemetery. Dr. Morrow's book was published in 1961 and he gives the above in detail and the descendents of Robert and Jane so completely that I will not go into that family here, except to say that two of their sons, Samuel and Thomas, came with them to Alabama and reared large families in Morgan County. Robert was a Revolutionary soldier, enlisting July 24, 1776 in the Third South Carolina Regiment commanded by Col. William Thompson.

John Morrow and His Descendants

LT. JOHN MORROW (4)

John was born about 1752 in Maryland—it's assumed—as he is a brother to Samuel Morrow (7). Proof is given in coming pages. He married in 1774 to Mary Kelso in Chester Co., S.C. From there he enlisted in the Revolutionary War and was killed Nov. 30, 1781 at Dorchester, S.C. Mary was born May 1755 and died Nov. 21, 1842. She is buried in Old-Bell Oleiveney Burying Ground 5 miles from Fishing Creek Church in Chester Co., S.C. Children:

- 41 Mary Morrow b 1774 Chester Co., S.C. d there Nov. 2, 1853 unm.
- 42 David Morrow b 1776 Chester Co., S.C. m Polly Steele—living Chester Co.

- 44 Sarah Morrow b 1781 Chester Co., S.C. living Chester Co., S.C. 1856 unm.

David was the only one of these to marry. He probably had more children but the only one I have record of is Mary who married John Walker. These descendents of hers have joined the DAR through Lt. John Morrow (4).

"State of South Carolina

Chester District

Before me, the Subscribing Magistrate, personally came Peter Wylie and makes oath that his father William Wylie was in service during the war of the Revolution. That he has specially heard his father speak of John Morrow and state that he was a member of Mill's Troops Sumter's Brigade—that he was in service in the years 1780, 1781, and 1782 and was killed in the skirmish at Dorchester near Charleston under the following circumstances—a portion of enemies troops were stationed near the Bridge at Dorchester. Sumter was desirous of drawing them across the Bridge and for the purpose designated a small portion of his force under the attempt. John Morrow was killed and the party cut off. The Deponent is in his 60th year of his age—has often been present when the above circumstances

was the subject of conversation between his father and the other soldiers of the Revolution and entertains no doubt that such was substantially the case as above related. Deponent further states that the John Morrow above referred to was the husband of Mary Morrow and that he was the only person of that name of whom he has ever heard mentioned as being in Mill's Troops. Sworn to and subscribed before me on the 14th Sept. 184?

Janet Morrow (wife of Samuel (7) in her 87th year signed a statement saying that she knew her husband's brother, John Morrow, served in the Revolution and was killed in it and that he married Mary Kelso. All this information came from the Revolutionary Pension File # W 9209 of John Morrow. Address General Services Administration, National Archives and Records Service, Washington, D.C.

I came by the first part of the above from a letter I found in Samuel Morrow's (7) pension application # W 21825 in Washington, D.C. It was from Frances May Davis of Troy, S.C. She was trying to learn about her Samuel Morrow whom she described as having two known children: Jane and Thomas, giving dates, etc., on these two and the following: "My grandmother told me that James Foster II was invited by his Captain, Capt. Samuel Morrow, to go home with him. He there met Jane Morrow,

Samuel Morrow's daughter, and later married her." Her Samuel Morrow was Samuel, Sr. (102). In 1958 I decided to visit Miss Davis. I found her mind gone, having been an invalid for a dozen years and gradually getting worse; she died April 14, 1959. Her sister, Dr. Nora M. Davis, had nursed her. She was a spry little lady who had taught at Winthrop College. She served refreshments, shared her Morrow data, and we had such a pleasant visit. Frances and Nora were the last of 8 children, their sister Lois having died a few years before. These 3 never married and lived in their parents' two-story home, which was old but preserved and beautifully furnished and had a wide veranda shaded by wisteria vines. I have forgotten how her line went from Davis through Fosters to the Morrrows, but I shall never forget this sweet lady who has passed on.

Samuel Morrow, Jr. and His Descendants

SAMUEL MORROW, JR. (7)

1760-1842

Samuel Morrow was born near Baltimore, Maryland on March 19, 1760. His parents brought him to Chester District, South Carolina in 1765. It was from here that he entered the services of his country during the Revolutionary War. He was in and out 4 or 5 times, serving a total of two years and one month. On one of these tours he was with his brother, John Morrow, and Capt. John McClure, a kinsman. He was made corporal in 1779 and in later years a major in the S.C. Militia. His parents moved from Chester District, S.C. to Spartanburg District, S.C. in the fall of 1779.

He married December 27, 1781 to Janet Nelson in Chester District, S.C. They joined there the Fishing Creek Presbyterian Church under the care of Rev. John Simpson in the fall of 1782. Sometime between this and December 1784, they moved to the southern part of Spartanburg County, S.C. and settled on the west side of Highway #56 and near the Blackstock Road between the Pauline Post Office and Riddles's store. This is on Dutchman Creek of the Tyger River and is now (1955) known as the Old Shank's Place. A few years ago Homar Lancaster used the brick from the chimney and foundation in building his new home. It was here he resided until death. From here they joined the Fair Forest Presbyterian Church and he was a ruling elder for many years. They are buried in the cemetery of this old church, which is located a few miles northeast of Glenn Springs, S.C. A brick wall about two feet high encloses each of their graves and is topped with a marble slab. The inscription on this gives their birth and death dates.

He was a farmer, owned a gristmill, the first cotton gin in that vicinity, and 13 slaves when his estate was settled. His will is recorded in folio #2354 Probate Office in Spartanburg, S.C. Other facts about him and children which I am giving are found in those papers with his application for a pension #W21825 filed in the National Archives in Washington, D.C. The 6 youngest of their 9 children came early to make their homes in Pickens and Greene Counties of Alabama. Late in the summer of 1821, Samuel and Janet made a two months' visit with their children in Alabama. He made a similar one during the first months of 1826.

Janet Nelson was born Aug. 14, 1760 in the County of Down, Ireland and came to America in 1772. So far I have not learned who her parents were, or who any of her relatives were, except a brother, William Nelson, who was living in Limestone County, Alabama as early as 1816. Descendents have told me she could still speak the Irish language when she visited in Alabama. She died April 14, 1849. The settlement of her estate is found in Spartanburg in Box 34, Package 23. Their children are:

71 Mary Morrow.

72 Agnes Morrow.

- 75 David Morrow.

COL. WILLIAM NELSON MORROW (74)

William Nelson Morrow was born Dec. 9, 1788 near Pauline, Spartanburg Co., S.C. and died Dec. 14, 1850 at Mantua, Greene Co., Ala. (Mantua was in Greene Co. 1819 to 1832, then in Pickens Co. from 1832 to 1867, then put back in Greene where it is now.) He married in S.C. on Nov. 14, 1811 to Elizabeth Storey, the daughter of James Storey and Catherine Cunningham. He was a 1st lieutenant in the S.C. Militia and volunteered Oct. 1, 1814 in the War of 1812, serving 6 months. He was commissioned as captain in the Alabama Militia in 1820, as lieutenant colonel in 1832 and as colonel in 1835). (See *Archives & History—Alabama Militia 1820-60*, Montgomery, Alabama.) He moved from S.C. to Mantua, Ala., Dec. 11, 1817. Records show he received land grants totaling 680 acres: 360 acres at Mantua, 160 acres between Olney and Unity in Pickens Co., Ala., and the 160 acres that he and Elizabeth received from his services in the War of 1812, which I think was given to their sons, Thomas and David, who settled about this time on unclaimed land in northeast Alabama. The 1850 census lists him as a farmer owning 17 slaves. More of him might be known if the Pickens Co. Courthouse and records had not been burned; the records

included his estate settlement, etc. I have been 15 years gathering little by little this information on him. He built a new two-story home at Mantua in 1846. Elizabeth lived on there until her death about 1865, then it was inherited by her youngest son, Monroe Morrow. He died in 1870, so his son, Rush Morrow, lived in it until he and other heirs sold it to Curtis Irvin Eatman in 1884. Mr. Eatman gave it to his son, Frank Irvin Eatman. It stands in good preservation today (1968) but the credit is due to the Eatmans. I do not know where William Nelson (Kerge) and Elizabeth (Bessie) Morrow are buried but I have been told they were buried on their home place. Their children:

741 Nancy C. Morrow.

742 John W. Morrow.

743 Robert G. Morrow.

744 Thomas Leroy Morrow.

745 David A. Morrow.

746 William P. Morrow.

747 Samuel Monroe Morrow.

748 Eliza C. Morrow.

Among these were 3 sets of twin boys, John and Robert, Thomas and David, and William and Monroe.

NANCY C. MORROW (741)

Nancy C. was born about 1813 in Spartanburg Co., S.C. All I have been able to find about her is, "Nancy C. Morrow eldest daughter of Col. William Morrow married Joseph P. Thompson on the 3rd of Jan. 1835." I believe he is one of the Thompson family who lived in the eastern section of Tuscaloosa Co., Ala.

JOHN W. MORROW (742)

John W. was born in 1816 in Spartanburg Co., S.C. He married Aug. 4, 1846 to Sarah Ann Adaline Scales, the daughter of Thomas and Mary Scales of Howton, Tuscaloosa Co., Ala. (Tuscaloosa Co. Marriages Book #2, p. 107.) Many of our Morrows are buried at Hebron Presbyterian Church Cemetery at Mantua, Greene Co., Ala. and there is a marker there which says "John W. Morrow Aug. 3, 1840." I assume this is the above John W. Morrow and that he died at that date because no record of him has been found since that date.

In a deed (Tuscaloosa Deedbook U p. 382) made in 1845 Thomas Scales and wife deeded their land to their children, one being Adaline Scales. Why wasn't she called Adaline Morrow? In 1869 these children sold this land and one child is Adaline Boyd (Tuscaloosa Orphan's Court Book 10 p. 124). Has she married again? I can't find this marriage in Tuscaloosa records.

Considering the above I assume that after John died she went to live with her parents. From Tuscaloosa Co. Marriage Records are: "George S. Dunn to Mary Ann W. Morrow July 6, 1855 by Judge Moses McGuire. George M. Morrow to Rachel Ackes Jan. 19, 1862 by Rev. James Goins

at Elisha Herrings. N. J. Fortenberry to Jane Morrow May 14, 1855 by F. J. Keen, JP at resident of Thomas Scales." Because these Morrows were the right age and married in the vicinity of the Scales, I've thought they were John and Adaline's children, but so far I cannot prove it. To make it more complicated I find this in the 1840 census of Mantua, Pickens Co., Ala.:

Morrow, John 1 male age 20 to 30 and 1 female age 15 to 20.

Did they not have any children in their 4 years of marriage or is the census wrong? I am sure Jane must be theirs. I give all of this hoping someone can find the errors and add to it.

ROBERT G. MORROW (743)

Robert G. was born in 1816 in Spartanburg Co., S.C. and died June 15, 1878 at Bladen Springs, Choctaw Co., Ala. At the University of Alabama, a yearbook shows that "Robert G. Morrow b. 1816 the son of Wm. N. Morrow, Pickens Co., Ala." He volunteered at Pleasant Ridge, Greene Co., Ala., Feb. 3, 1848, for the Mexican War and was discharged June 26th the same year. He married Olive Malissa Abston, daughter of . . . Abston and Olive . . . on July 21, 1850 at Scottsville, Bibb Co., Ala. (Centreville Book D p. 454.) He received in 1854-55 land grants of 160 acres near Mantua joining that of his brother William P. Morrow.

The 1860 census shows he and Olive living at Bladen Springs, Ala. with two sons: John W. Morrow age 4 years and Joseph G. Morrow age 8 months. I could not find them there in the 1870 census, but it looks like they were because Robert died there in 1878. The next knowledge of Olive is when she applied for pension from Tuscaloosa, Ala. in Feb. 1887, which was granted March 1888. The U.S. Pension Agency of Knoxville, Tenn. reported that Olive M. Morrow, wife of Robert G. Morrow, priv E Seibels Batt Ala Vol, was last paid Aug. 4, 1896 because of failure to claim. Does that mean she died there in Knoxville?

DECLARATION FOR PENSION OF WIDOW OF MEXICAN WAR

THOMAS LEROY MORROW (744)

Thomas Leroy was born in 1820 (census) at Mantua, Pickens Co., Ala. and died about 1886 in Wortham, Texas. He was married Oct. 14, 1845 to Elizabeth (Eliza) Jane Robertson at Romulus, Tuscaloosa Co., Ala. by Rev. F. Bradshaw. She was born in 1826 in Tuscaloosa Co., the daughter of Simon and Lucretia Robertson or Robison. They were living in the Mantua Community in the 1850 census with two children. They left there after 1855 and the 1860 census shows them living at Nauvoo, Franklin, Co., Ala. with three living children. I do not know when they moved to Tenn., but they lived for some time in Purdy, McNairy Co., Tenn. before going to Texas in 1876. In 1884 they were living 20 miles south of Wortham, Texas where Thomas died soon after. He and Eliza are buried in the Wortham Cemetery but have no markers. Judging from a picture I have of him, he was a very handsome man, physique and look of a Clark Gable. He made his living by farming and operating a cotton gin. Known children:

JOHN NELSON MORROW (7444)

John was born Jan. 20, 1855 at Mantua, Ala. and died at Wortham, Freestone Co., Texas. He married Sept. 20, 1885 to Jennie Couch, the daughter of E. D. Couch and granddaughter of Robert Brough Longbotham. Mr. Longbotham had come to Texas 100 years before and established the Longbotham survey of land on which Wortham is located. John lived on his farm near Wortham from 1882 until about 10 years before his death when he moved into Wortham. There they were members of the Presbyterian Church, and they are buried in the Wortham Cemetery. John's death was the result of a fall from the loft of the barn on his farm, located 2 miles north of Wortham. Their children:

- 74442 John Luster Morrow of Tyler, Texas.

CORA MORROW (74444)

Cora was born, reared, married, and lived near and in Wortham. Her husband was Walter D. Mayes and he died before 1955. We had an interesting and pleasant visit with this lady in 1956 in Wortham. Living with her was her bachelor son, Walter, Jr., and her widowed daughter, Mrs. Calvin L. Stone (Lucy). She has another son who is married and lives in La Porte, Texas, but I do not remember his name. Lucy's only child, Anna Beth, married Aug. 30, 1958 to a young minister, Richard Leroy Charles. Cora Mayes gave me much of what I have on this family. I hear from her every Christmas, and in 1971 she was still able to look after herself.

DAVID A. MORROW (745)

David was born in 1820 (census) at Mantua, Ala. and died about 1908 at Pleasant Site, Franklin Co., Ala. He married the first time about 1842 to Margaret Noland of Pickens Co., Ala. She was born in 1825 in Alabama. In 1850 they with 3 children were living in Mantua near his twin brother, Thomas L. Morrow. In 1860 they were again living near this brother but at Nauvoo, Franklin Co., Ala. Then they had 5 children, and their home was located 4 or 5 miles from Pleasant Site Post Office near Cedar Creek Church on road to Russellville.

He was a Confederate soldier, enlisting Dec. 22, 1862 at Florence, Ala. in Co I 4th Reg. Alabama Cavalry. He was 86 years old when he applied for pension from Pleasant Site, Ala. (from *History & Archives in Mont-*

It had been 36 years since he had seen his children at Pleasant Site. He came back to live with his daughter, Belle (Mrs. John Crisp), who home was one-half mile from Pleasant Site Post Office. There he died and was buried in the Bond Cemetery by his first wife; there are no markers. He was a tall handsome man, weighing 200 pounds, and when he was old, he had a long beard reaching nearly to his waist. Their children:

Ann was born in 1845 at Mantua, Ala., married (1) Gordon and (2) Burks. By 1880 both of Ann's husbands had died, for that year, the Franklin Co., Ala. census showed her living only with her daughter, Ellen Gordon, son William Burk, age 3, and her brother, John Story Morrow. No more is known of Ellen. Ann died at Pleasant Site at 92 years of age.

WILLIAM BURK (74522)

WILLIAM P. MORROW (746)

William was born Aug. 8, 1824 at Mantua, Greene Co. (then Pickens), Ala., being one of the third set of twin boys born to William Nelson and Elizabeth Morrow. I do not know what the P. initial in his name stands for but it is likely Palasco. He died July 26, 1875 at Mantua and was buried in the cemetery of Hebron Presbyterian Church where he was a member.

He married Aug. 3, 1848 to Elizabeth Barnett who was born Mar. 17, 1826 at Mantua, Ala., the daughter of Benjamin Barnett and Bethsheba Thornton. She died April 28, 1889 at Ladonia, Fannin Co., Texas and is buried in New Harmony Cemetery 3 miles east of Ladonia. She was Baptist in faith, but I do not know where her membership was.

William and Elizabeth settled in their new home located a mile or so north of his parents, nearer the Sipsey River and about half way to her

parents' home. Here he farmed for a living until his death. The Civil War and conditions after it deeply cut their finances. So in 1884 she and the children sold the remaining 375 acres of their farm, and she went to Fannin Co., Texas with her son William, son James and wife, daughter Nealy, and her husband. Her son Walter Patton and her granddaughter Josie Bond remained in the Mantua vicinity. Much of this information came from the Walter P. WALTER PATTON MORROW (7464)

Patton was born Dec. 19, 1858 in Mantua, Pickens Co. (now Greene), Ala. and lived not far from there all his life, dying Dec. 14, 1939 at Jena, Greene Co., Ala. He married Mary Alice Leavell at the home of her mother, Mrs. T. A. Leavell in Greene Co., Ala. Alice was born June 15, 1856 at Knoxville, Greene Co., Ala., the daughter of James Griffin Leavell and Tirza Ann Stewart. She died Mar. 5, 1905, and both are buried in the Pleasant Grove Methodist Church Cemetery in the Jena Community.

In 1877 he bought a farm less than a mile south of the present Shiloh Baptist Church and lived there the first 2 or 3 years of marriage. This house and part of the land was located in Tuscaloosa County and their first child may have been born here. From here they joined the Shiloh Baptist Church where their membership remained until the 4th Sabbath in September, 1902, when they moved it to New Hope Baptist Church in the Romulus Community where it was the rest of their lives. He was a deacon in both churches.

In 1882 he bought a 120 acre farm, later added 280 acres, in Greene Co., Ala., about 2 miles west of Shiloh Church on the line between Shiloh and Jena Communities. He built a new home and lived there more than 20 years, reared their children, by farming, operating a gin, and being a merchant.

In 1902 he sold this farm and bought a farm in Jena Community and again built a home and store. After Alice died, he sold this to his son, Jim. (Until 1971 his grandson, Walter Morrow, lived there and owned and operated the store and farm.) He married second to Mrs. Cherokee

Snoddy Chambers on Jan. 24, 1906 of Eutaw, Ala., but they lived together only a few years. He returned to Jena and lived his remaining years.

He weighed about 140 lbs., had a head full of chestnut brown curly hair which turned white in old age, was almost feminine in physique but masculine in behavior, very alert mentally, independent, self-disciplined, and aggressive. His body was slim and agile in his old age. Alice was a brunette with a pretty figure, reserved and humble in temperament. Their children:

She was always a member of the Pleasant Grove Methodist Church. Jim joined Shiloh Baptist Church but moved his membership to New Hope Baptist Church in 1902. Both are buried in the Pleasant Grove Church Cemetery at Jena.

For the first 3 or 4 years after marriage, they lived on his father's place and continued in business with him. Then he bought a farm of his own about 2 miles west of the Jena Post Office. In 1906 he bought his father's store and farm located $3/4$ mile west of this post office, where he lived the remainder of his life. After his death, Lela sold the home to son, Walter, and bought a duplex at 1500 9th Street, Tuscaloosa, Ala., where she lived and did practical nursing until her death Aug. 31, 1954. Their children:

Marriage Records (Book C-1 p. 446) shows the marriage of Elizabeth Morrow to Henry Chamblee on Aug. 10, 1869 at the home of William Morrow. Is this Eliza C. Morrow marrying at her brother's, William P. Morrow. It would have to be because I have eliminated all other Morrows of those names. Elizabeth and Henry are not in the census of Greene and Pickens counties in 1870. I have been unable to learn any more of her. That name Chamblee is also spelled Shamblee, Shambly, and Chambly. Where did they go?

DR. ROBERT MORROW (76)

Robert was born Nov. 17, 1793 in Spartanburg Co., S.C. and died 1820 in Greene Co., Ala. Not much is known about Robert but I will give

below facts I have found. In his father's Bible records is the date of his birth and this: "Son Robert Morrow started to Kaintuck Sept. 11, 1816 and came home by his unkl's William Nelson who had moved to Alabama same fall." I find a William Nelson living in Limestone Co. when the 1820 census was taken of Alabama. There is no record of when he came to Greene Co., Ala. It is not known where he went to school nor how he got to be Dr. Robert Morrow.

His estate is the first one probated in Greene Co. In this pkg. #1 is: "Nov. 22, 1820 William Nelson Morrow and David Morrow were appointed administors of the estate of Dr. Robert Morrow, dec'd of Greene Co. Ala." They are his brothers. Bondsmen were Thomas White and James Storey. He owned a store that carried everything you can think of, even drugs. In the sale each item is listed, the price received for it, and to whom it was sold to, and all totaled \$6122.22. No land or slaves were mentioned. There is nothing to indicate where in Greene Co. his store was located, except the buyers at the sale. They lived in an area that would circle Springfield, Knoxville, Mantua, and Vienna. Mantua was in Pickens Co. at that time and Vienna out of reach of most buyers, so I would guess it was at Springfield or Mantua.

He was not married for his estate was divided equally between his parents and brothers and sisters. We wonder what caused the death of this young man of 27 years and where he was buried.

JANET MORROW (77)

Janet was born Mar. 19, 1796 in Spartanburg Co., S.C. and died June 11, 1888 near Ethelville, Pickens Co., Ala. While still in S.C. she married April 17, 1817 to Henry McCrary Storey the son of Henry Storey and Elizabeth Cunningham. He was born Mar. 29, 1793 in Spartanburg Co., S. C. and died June 12, 1874 near Ethelville. Both are buried in the Beersheba Presbyterian Church Cemetery just inside Lowndes Co., Miss. line from Ethelville. They left S.C. Oct. 27, 1818 and came to Mantua, Ala., where they lived until 1824 when they settled on McBee Creek in Henry's beat Pickens Co., Ala., where they lived out their lives. Their children:

- 771 Samuel Storey b 1818 died young.
- 772 Robert Newton Storey b June 15, 1822 d Nov. 2, 1900 m Mary A. Pridmore.
- 773 Sarah Storey b 1824 m William Gentry.
- 774 Elizabeth Storey b 1826 m Abram Keasler no children.
- 775 Mary A. Storey b July 7, 1828 d Sept. 4, 1918 m William Lavender.
- 776 Margaret Louise Storey b 1830 m Frank Pridmore.
- 777 Henry Wilson Storey b 1832 died in Richmond, Va.
- 778 Mainda Storey b 1834 m Elias Garner Wright lived in Columbus, Miss.
- 779 Artimisa Caroline Storey b 1837 m John Brown d in Winnsbury, Texas.

The Family Storey, written by W. M. Storey, gives a more detailed account of this family. I am acquainted with only two descendants of this family: Mildred Grace Storey married Jesse F. Newton. Mary Lewis Storey

was married a second time to Meredith Wilson. Both live in Tuscaloosa, Ala.

SARAH MORROW (78)

Sarah was born Aug. 17, 1798 in Spartanburg Co., S.C., and I do not know where and when she died. She married Jan. 3, 1822 to Richard Daniel. They moved from S.C. to Alabama Nov. 2, 1826 with a small daughter and son. It seems they settled in Olney Community, Pickens Co., Ala. He had died by 1840 for the census of that year shows her as the head of a household second door from her brother, David Morrow, in Mantua Community with one daughter and three sons. Also next door to her lived her sister, Jane, who married Henry Storey.

The next record of her is when she is named as one of the distributees of her mother's estate in 1849 as Sarah JAMES. That is it looks like JAMES but it is not written plain enough to be sure what it is. Could be JONES, too. The Mantua Community is now in Greene County, but it was in Pickens County until 1867. All of Pickens records of that period were destroyed by fire and with that went Sarah's second marriage record, deeds, estate, etc.

1830 Census of Pickens Co., Ala.

Daniel, Richard—males 2 0/5 1 5/10 1 30/40
females 1 5/10 1 30/40

1840 Census

Daniel, Sarah—males 2 0/5 1 5/10 2 or 1 10/15
females 1 15/20 1 40/50

Now how do you interpret what the census taker means by 2? It could mean 2 or 1 or none. But we can be definite that they had one daughter born in 1823 and three sons born about 1825, 1827, 1830, and maybe one born 1832-35.

In 1830 they lived between neighbors like this: Ezekiel Sanders, Isaac Sanders, Edward Brown, Richard Daniel, Andrew M. Windle, Dempsey White.

In 1840 these were her neighbors: William Gammell, David Morrow, Henry Storey, Sarah Daniel, John Pool or Peel, Thomas Gammill, Jesse Jones. Help me find Sarah.

SAMUEL MORROW (79)

Samuel was born April 21, 1802 in Spartanburg Co., S.C. and died Mar. 3, 1857 at Mantua, Greene Co., Ala. He married Margaret Morrow Oct. 23, 1823 in S.C. She was born Feb. 12, 1803 in S.C. and died Sept. 8, 1868 at Mantua. Both are buried in Hebron Presbyterian Church Cemetery in Mantua. Samuel and Margaret with their oldest child left S.C. moving to Mantua on Nov. 3, 1826. Margaret may be the daughter of Thomas Morrow and Jane McCarty of Abbeville Co., S.C., for they had a daughter named Margaret. William Morrow and wife Elizabeth lived in Newberry and Laurens Co. S.C., nearby, so she might be their daughter. Samuel and Margaret's children:

Since I have learned not to trust my memory, and I keep all addresses of those I have corresponded with. Though, I did chart the above information she gave me on the Bouchellions, I do not have names of the children of Jane and Francis.

David Morrow and His Descendants

DAVID MORROW (8)

David was born in 1762 in Maryland and died Oct. 17, 1843 near Oxford, Lafayette Co., Miss. in the home of William Sims; I am assuming this because he was listed in Sims' household in the 1840 census. He was a baby when his parents brought him to Chester District, S.C.

In Jan. 1779, he volunteered in the Revolutionary War as a private under Capt. Philip Walker in Co. Winn's Regiment and served 23 months. (from his pension application # S 7253.) About 1783 he married Margaret Kelso the daughter of Samuel Kelso and Susan Mills. She was born about 1760 in County Antrim, Ireland and landed in America with her parents Dec. 22, 1767 at Charleston, S.C., and they settled on the north side of Fishing Creek Church.

David and Margaret made their home in the Rocky River section of Chester Co., S.C. and remained there until their children were grown. In 1818 they all moved to Dallas Co., Ala., where he received a patent to 320 acres of land. There he farmed and operated a sawmill. From Dallas Co., Ala. on Jan. 1, 1827 David wrote John Kelso, Jr. of Chester Co., S.C., asking him to be his lawful attorney and receive the \$60.00 due him from the State Pension Treasure. (book W p. 340 Chester, S.C.)

According to the 1830 census of Dallas Co., Ala., David and Margaret were living there at that time. By 1833 he had followed his sons, Adam and George to Lawrence Co., Ala. where he filed application for pension for his Revolutionary War service on Sept. 23, 1833. The DAR approved his records for at least two have joined through them: Mrs. Elenor Morrow Lance, Mommouth, Warren Co., Ill. # 124246, is one. No additional record is found of Margaret after 1830, so it is believed she died in Dallas Co.

David went with Adam and George to Lafayette Co., Miss. and on June 26, 1834 he wrote the Pension Bureau, asking that his pension payments be transferred from Alabama Agency to one near him in Lafayette Co., Miss. because he intended to remain there and he was old and infirm and lived with his children who lately moved to this new county formed from Chickasaw lands. David and Margartt's children:

- 81 John Morrow.
- 82 Samuel Morrow.
- 83 Alexander Morrow.
- 84 Joseph Morrow.
- 85 Elizabeth Morrow.
- 86 Adam Morrow.
- 87 David Morrow.
88. George (Porg) Morrow.

In 1955 I copied the above list of David and Margaret's children and the dates of their birth from a Bible then owned by Mrs. Wesley Cantrell, Route # 3, Hamilton, Marion Co., Ala. The first few leaves of this Bible were gone, so I do not know when and by whom it was published. On in-

side of the front hard cardboard binding was a sticker on which was printed: "Sold by Gwin and Curtis, Books-Maps-Stationer, Cawhaba, Ala." On the first page of the records was written: "Samuel Morrow's Bible bought of Gwin and Curtis on Oct. 9, 1822—price \$7.50."

JOHN MORROW (81)

John was born Oct. 2, 1784 in Chester Co., S.C. About 1810-12 he married Margaret Boyd, the daughter of David Boyd (Deedbook R p. 71). John bought and sold land on the Rocky River in that county and his last sale was on April 19, 1817, and Margaret signed this deed with him (Book S p. 213 Chester, S.C.) They all moved to Ala. in 1818 and the 1820 census of Dallas Co., Ala. shows there to be one son and four daughters, and one slave. The Dallas Co. tract book shows he was granted 80 acres of land Sept. 9, 1822 on warrant # 966. He sold this Jan. 25, 1828 and Margaret signed the deed with him. That is the last record of him there. Some say they moved to Miss., so I cannot name their children.

SAMUEL MORROW (82)

Samuel was born Dec. 18, 1786 in Chester Co., S.C. and died after 1860 in the northeast section of Marion Co., Ala. In Chester Co. he married Hannah and her maiden name is unknown but it's probably Milling. She was born 1788 in S.C. and died in Marion Co., Ala. She and Samuel were buried on their farm but have no markers. Mrs. Wes Cantrell lives there or did in 1955. She showed me their burial place.

Samuel and Hannah had three children when they moved to Dallas Co., Ala. in 1818. On Oct. 9, 1822 he was granted 80 acres of land there in the Cahaba District # 979 and sold it Jan. 25, 1832 (Deedbook C p. 31 at Selma). But the 1830 census shows him living in Marion Co., Ala. with his wife, 4 sons, and 3 daughters, and the 1860 census shows he and she still here. He was a blacksmith and farmer. Children:

- 821 Susannah Mills Morrow b Sept. 4, 1812.
- 822 Alexander Milling Morrow b Nov. 22, 1814.
- 823 David Chrisholme Morrow b May 16, 1817.
- 824 William Martin Morrow b May 16, 1820.
- 825 Margaret Elizabeth Morrow b Oct. 18, 1822.
- 826 Martha Jane Morrow b Mar. 10, 1825.
- 827 John Sumter Morrow b Feb. 9, 1828.
- 828 Nancy Gepson Morrow b. Dec. 16, 1830.
- 829 Narcissa Ematine Morrow b Jan. 6, 1837.

I copied these children and their births from Samuel Morrow's Bible mentioned above. There is no more information on any of these except Alexander and David.

ALEXANDER MILLING MORROW (822)

Alexander was born Nov. 22, 1814 in Chester Co., S.C. His parents brought him from there to Dallas Co., Ala. in 1818 and to Marion Co., Ala. about 1830. There he married Jan. 9, 1845 to Zillian Ann Burleson

who was born June 10, 1828. I do not have their death dates but they are buried in the Burleson Cemetery at Vina, Ala. Alexander was a physician and during the Civil War the federal soldiers took every horse he had and didn't leave a one to ride to see his patients. Their children:

- 8221 James David Morrow b Feb. 17, 1846.
- 8222 John Sumpter Morrow b Nov. 27, 1847.
- 8223 Samuel Thomas Morrow b Jan. 29, 1849 d June 28, 1860.
- 8224 Sir William Wallace Morrow b Nov. 12, 1852.
- 8225 Louis Neapolean Boneynepart Morrow b Oct. 12, 1854.

- 822J Gilbert Hamilton Morrow b April 28, 1866.
- 822K Elwitha Morrow b Jan. 26, 1868.

The names and birth dates of these children were copied from Alexander Milling Morrow's Bible which was owned in 1955 by Mrs. George Cleve William of Route # 1 Hamilton, Ala. On its first page says "Translated out of the original Greek, New York—Sterrotyped by A. Chandler and printed by D. Fanshaw for American Bible Society 1844."

JOHN SUMPTER MORROW (8222)

John was born Nov. 27, 1847 in Marion Co., Ala. and died there May 24, 1926. He married Mar. 4, 1887 to P. Agnes Terrell who was born Jan. 1, 1857 and died Mar. 18, 1927. Known children:

ADAM MORROW (86)

Adam was born April 10, 1796 in Chester Co., S.C. and died after 1853 in Lafayette Co., Miss. He came with his parents from S.C. to Dallas Co., Ala. in 1818. There he married Dec. 11, 1823 to Mary B. Wiley. I find him in the Lawrence Co., Ala. 1830 census with 2 sons and 2 daughters. Their daughter, Frances was born in Tenn. in 1834. On May 1, 1830 Adam patented 160 acres of land in Lafayette Co., Miss. # US12-197 and he may have received more for he was selling and buying land all his life. That county's 1850 census shows him as a farmer and with 11 children at home as follows:

I believe that Mrs. James N. Butler, 216 Bramlett Blvd., Oxford, Miss. 38655, is a descendant of this family, but I have no other contact with them.

DAVID MORROW (87)

David Morrow, Jr. was born June 22, 1798 in Chester Co., S.C. and came with his father to Dallas Co., Ala. about 1817. The 1820 census of Dallas Co. shows him married with one son and his wife at this time must have been Jane Morrison. In that county on Aug. 4, 1825, he married Margaret Waugh and by 1830 he was married to Isabella Reed—by Jan. 15, 1830 when she and he sold their land in Dallas Co., Ala. No more is seen of them in Dallas and I do not know where they went, but a descendant of his, Mrs. Eleanor Morrow Lance, born in Warren Co., Ill., has

joined the DAR through him and his father. From these papers and the 1830 census, David Morrow, Jr. had at least these children:

- 871 A son born ca 1820.
- 872 A daughter b ca 1822.
- 873 John Wiley Morrow born ca 1825 d 1911 m Lucy Claycomb 1858.

GEORGE (PORG) MORROW (88)

George was born July 30, 1801 in Chester Co., S.C. and came with his parents to Dallas Co., Ala. about 1818. He married there Mar. 1, 1826 to Frances Saline Wiley, and they are shown in the 1830 census of Lawrence Co., Ala. with one son and one daughter. Their fourth child was born in Lafayette Co., Miss. in 1834. He died Sept. 10, 1880 and is buried in the Old Concord Cemetery near Midway Church located between Toccopola and Yocona beside his wife Frances who died 1870-80. From the Lafayette Co., Miss. 1850 census, these are their children:

- 881 William W. Morrow b ca 1828 m Elizabeth I. Faust on Dec. 16, 1852.
- 882 A daughter b ca 1830.
- 883 David K. Morrow b ca 1832.

- 888 Cicero Morrow b ca 1843.
- 889 Flora Ann S. Morrow b ca 1845 d 1867.

Thomas Morrow and His Descendants

THOMAS MORROW (9)

Thomas was born 1765 about the time his parents were getting settled in Chester District, S.C. and moved with them to Spartanburg District, S.C. in 1779. I do not know if he served in the Revolutionary War or not. After 1787, he married Jennet McCarter, the daughter of Moses McCarter and Catren ? (Box 64 pkg. 1544 Abbeville, S.C.). They lived between Long Cane Creek and Little River in Abbeville District, S.C.

About 1810 Thomas Morrow and all his family, except one married daughter, moved to Logan Co., Ky. and settled on Big Whippowill Creek. Jennett was born ca 1768, probably in Abbeville District, S.C. and died ca 1835 in Logan Co., Ky. Sometime after this, Thomas married for a second time to Coley ? , whom he named in his will (WB # Q p. 577 Logan Co.) with his 10 children. He died Nov. 16, 1846 in Logan Co., Ky. So far I have not contacted any of his descendants, but this lady tells me she has and her name is Mrs. Naomi M. Hailey, 3125 Cloverwood Dr., Nashville, Tenn. Jennett had a sister, Margaret who married Fleming Bates, and they lived near Thomas and Jennett in Abbeville Co. S.C. Their children:

- 91 Mary Morrow m James Glasgow.
- 92 John Morrow m Nov. 8, 1805 to Mary Sutton in Logan Co., Ky.
- 93 Moses Morrow (His parents gave him land in Logan Co. July 1818 (DB # F p).
- 94 Matthew Morrow.
- 95 Thomas Morrow.
- 96 A daughter who m Isaac Talkington.
- 97 James Morrow m Mary ? . Parents gave him land (DB # D p. 415 Logan Co., Ky).
- 98 A daughter who m David T. Lee.
- 99 A daughter who m John Rutherford.
- 9J Ann Morrow m William Thompson. Their children: Polly and Lucretia Thompson. (Ann's father made them a gift Jan. 21, 1831 in DB # Q p).

MATTHEW MORROW (94)

This Matthew Morrow would seem to be the son of Hugh Morrow (11) because of his age, because he lived at some of the same places, and because I could find no one else for Hugh's children besides George of Pontotoc Co., Miss. But I have decided he is the son of Thomas and Jeanet Morrow, because a Matthew is named in Thomas's will and there is mention of Matthew's children as part of Thomas's estate in OC Book 1844-54 p. 538 Jefferson Co., Ala. There needs to be more work done on this in Birmingham.

Records show Matthew Morrow witnessed a deed in Logan Co., Ky. on

May 3, 1820 (DB # H p. 277). He was in the Jonesboro Beat, Jefferson Co., Ala. census where he remained until his death in 1874. According to this, he was born 1795-1800 and married Mary ? , who had died by Oct. 16, 1847, when Matthew was made guardian of their minor children (OC Book 1844-54 p. 364 Jefferson Co., Ala.). Matthew applied for 83 acres of land in Greene Co., Ala. Nov. 19, 1834 #11930 and transferred it to William I. Minter. Their known children: (Est. Sett. Box 95 and 105 Jefferson Co., Ala.)

- 941 Mary Morrow b ca 1822 m Jacob Sharp on Sept. 19, 1844.
- 942 A son b ca 1824.
- 943 Tabathia Jane Morrow b ca 1826 m Wilson Abernathy on Mar. 13, 1840.
- 944 Nancy Caroline Morrow b ca 1830 m Thomas A. Norwood on Feb. 28, 1853.
- 945 Hugh M. Morrow b ca 1832 d before 1874.
- 946 Martha A. Morrow b ca 1834 d before 1874.
- 947 William Virgil Morrow b ca 1837 m Bonnie Rankin d before 1874.
- 948 Sarah Eveline Morrow b ca 1838.
- 949 George M. Morrow b ca 1841 m Mary Ella Smith on Nov. 18, 1868.

Other Morrows and Their Descendants

All the Morrows I have written about up to now are descendants of Samuel Morrow, Sr., who died 1796 in Spartanburg Co., S.C. A David Morrow received a grant of 100 acres of land in what is now Chester Co., S.C. on June 30, 1766. This is about one year after Samuel, Sr. received his grant. David's was located "on south fork of Fishing Creek and on southside of Samuel Morrow's land." For this and other reasons I believe these two are brothers though I have no proof. This David is not to be confused with the other David Morrows in that area, like David and Agnes of Waxhaw, David and Martha (Brasher), or David and Margaret (Kelso)—for this David's wife was named Mary.

On Feb. 26, 1780 David Morrow of Camden District, S.C. sells the above described land and his wife Mary signs the deed with him (Book A p. 18 Chester, S.C.). Then on April 1, 1784, a "David Morrow, yoeman late of Camden District, S.C." sells 150 acres on southside of Catawba River near Fishing Creek in St. Mark Parish which he had bought in 1771. No wife is mentioned on this deed and David signs it with this mark (O) but on the above one he signs with this mark (X). Can these two be by the same David? If so, did he die or move away? He must be the one buried at Waxhaw. (Deedbook F p. 101).

A John Morrow received a grant of 150 acres of land in what is now Chester Co., S.C. on May 2, 1770. It was located "on branch of Rocky Creek in Craven District S.C." He sold this to David Morrow (whose wife was Margaret Kelso) on July 8, 1790 (Book G p. 319). In a deed made in 1802 is mentioned a John Morrow, deceased (Book I p. 205) and again in Book S p. 259 in year 1817. It is possible that this John Morrow is of the same generation as the senior Samuel and David and also that he is son of David and Mary. Who knows?

Among the "poor Irish Protestants" arriving as immigrants at Charleston, S.C. from Ireland on the ship Lord Dunlace in 1773 was a David Morrow. On Feb. 7, 1773, a survey was made for his land and it was granted Aug. 19, 1774. It was 450 acres on waters of Sandy River, bound on all sides by vacant lands. This number of acres would tell he had a wife and 6 children under 15 years of age, according to family rights of this plan. About the same time, Elizabeth Morrow was granted 100 acres at the head of Sandy River and David Morrow 100 acres on Sandy River. Could these be his children who were over 15 years old? The Sandy River and Rocky Creek head up in the north central Chester Co., S.C. near each other. The Sandy flows into the Broad River at the southwest corner of this county, and Rocky Creek flows in the Catawba River at the southeast corner of the county. A short distance east of the heads of these streams is Fishing Creek and that puts all these Morrows in the northeast quarter of Chester Co., S.C.

From land deeds in Chester Co. I find there were other Morrows that I know nothing about except they had land transactions as follows:

David Morrow, a hatter on Sandy River in 1802.

His son, Robert Morrow, a schoolteacher on waters of Sandy River in 1802.

James Morrow on the waters of Sandy River in 1792.

William Morrow, a shoemaker on branch of Rocky Creek in 1792.

In the following pages, I will give several more whose descendants I know about.

JOSEPH MORROW

There was a Joseph Morrow who spent more of his life in Chester Co., S.C. than any of the Morrrows. He was born 1760 in the Kingdom of Ireland, county of Antrim. He made his application for pension (# S21892) in Dec. 1832 at the age of 72 years from Chester Co., S.C. where he enlisted, now lived and had lived all the time.

Mrs. John Preston Creer of Salt Lake City, Utah, now deceased was a descendant of his and she never could get proof as to who his parents were. Records in her family said he had 4 brothers and 4 sisters and that he married Jane Wiley, the daughter of William Wiley and Sarah Dunn. They lived on Rocky Creek.

His will was probated Dec. 1, 1835 and in it he named his wife Jane, daughters Sarah White, Betsy Wiley, Jane Wiley, Polly Thomas, and sons Joseph, William W., and David. Mrs. Creer says there was another son, John, and the Chester Co. 1810 census shows them with 4 sons and 5 daughters. Since there is one daughter we have no record of, so she must have died. Their children:

- J1 Sarah Morrow b ca 1788 Chester Co., S.C. m Hugh White.
- J2 Jane Morrow b ca 1790 Chester Co., S.C. m Samuel Wiley.
- J3 Betsy Morrow b ca 1792 Chester Co., S.C. m Peter Wiley.
- J4 a daughter in 1810 census.
- J5 John Morrow.
- J6 Joseph Morrow.
- J7 William Wiley Morrow.
- J8 Mary Wiley Morrow.
- J9 David Morrow

JOHN MORROW (J5)

According to Perry Co., Ala. 1850 census, John was born in 1897 and, we know, in Chester Co., S.C. His wife, Lucinda, was born in 1801 in S.C. Soon after marriage, they came to Perry Co., Ala. where all their children were born. They were living in the adjoining county of Dallas when John died on Mar. 1, 1869. At that time all his children lived in Dallas Co., Ala., except Thomas who lived in Austine Co., Texas. They were living in Perry Co. when the 1850 census was taken, and I don't know when they moved to Dallas Co. In Abstract of Minutes Vol. 4 p. 301, Book P p. 265 Selma, Dallas Co., Ala. is his estate settlement in which is named his wife Lucinda and the following children:

- J51 Joseph Morrow b ca 1830 in Perry Co., Ala.
- J52 Abraham Gill Morrow b 1832 in Perry Co., Ala.
- J53 Peter W. Morrow m Maldinette ? . They had one child, Peter W. Morrow. Peter W., Sr. died in 1861 and later Maldinette married her brother-in-law, John C. C. Morrow.
- J54 Sarah Jane Morrow b ca 1838 in Perry Co., Ala.

- J55 Thomas J. Morrow b ca 1840 in Perry Co., Ala.
- J56 John C. C. Morrow b ca 1843 in Perry Co., Ala.
- J57 Robert W. Morrow b ca 1846 in Perry Co., Ala.

JOSEPH MORROW (J51)

Joseph Morrow was born Oct. 24, 1829 in Perry Co., Ala. and died July 28, 1893 in Dallas Co., Ala. He married there Dec. 6, 1855 to Martha V. Wilkins, the daughter of John A. Wilkins and Mary Ann Hamilton. She was born Nov. 19, 1836 and died Feb. 20, 1903. Their children were:

- J511 Joseph Morrow b Oct. 11, 1856 d June 29, 1883.
- J512 Mary Izora Morrow b July 15, 1858 m Dec. 24, 1880 to Clarence E. Boggs.
- J513 John Wise Morrow b Mar. 9, 1860 m Dec. 20, 1883 to Kate Peoples.
- J514 Lucinda J. Morrow b Nov. 11, 1861 m P. W. Morrow on Jan. 3, 1884.
- J515 Nannie Wilkins Morrow b May 27, 1866 m Dec. 1895 to L. F. Harris.
- J516 Sarah D. Morrow b Jan. 28, 1868 m Dec. 24, 1893 to Frank Young.
- J517 Martha Juan Morrow b Feb. 12, 1870 m Dec. 22, 1892 to Ed Terry.
- J518 James K. Morrow b May 6, 1872 d 1946 m July 20, 1902 to Arrepsia J. Knapp. Their children:
 - J5181 Edgar Ernest Morrow b Sept. 14, 1903.
 - J5182 Joseph Dawson Morrow b Mar. 22, 1905 m Dec. 4, 1928 to Velma Stone. Their children: Joe Paul Morrow and Bobbia Ann Morrow.

JOSEPH MORROW (J6)

MARY WILEY MORROW (J8)

Mary Wiley Morrow was born Feb. 8, 1802 in Chester Co., S.C. and died 1890 in Kanana, Utah. She married James Sands Thomas who was born in Chester Co., S.C. on Aug. 1, 1802, the son of Elijah Thomas and Elizabeth Pearson. All their children were born in Dallas Co., Ala., but they moved to Neshoba Co., Miss. at some time because James died there in Oct. 1847. Soon after that, she and the children moved to Utah. The children were:

- J81 Elizabeth Thomas b 1831 m May 8, 1857 to John Berry.
- J82 James Willie Thomas was born Sept. 7, 1834 and died Aug. 7, 1926 in Spanish Fork, Utah. He married Mary E. Koyle, the daughter of Hyrum Koyle and Nancy McCurdy Woodward in Jan. 1855. She was born May 30, 1840 in Nauvoo, Hancock Co., Ill. and died Sept.

15, 1880 at Spanish Fork, Utah. James and Mary may have had other children but the only one I know of is:

Mary Jane Thomas was born Dec. 25, 1856 at Spanish Fork, Utah and died April 8, 1942 in Salt Lake City, Utah. She married Nov. 29, 1877 to Samuel Brockbank, who was born Sept. 15, 1853 at Spanish Fork and died there June 7, 1917. They had a daughter: Mary Elizabeth Brockbank, born Sept. 6, 1879 at Spanish Fork and died Oct. 20, 1967 in Salt Lake City, Utah. She married Sept. 4, 1901 to John Preston Creer, born July 27, 1875 Spanish Fork and died April 25, 1954 in Salt Lake City, Utah. They were devoted members of the Mormon Church. I never met Mrs. Creer but learned to love her through corresponding with her for 12 years. I had such a nice note from her son, Frank B. Creer, 1229 East 1st South, Salt Lake City, Utah, telling me of her passing. She gave me a large portion of what I have on Joseph Morrow (J1) of Chester Co., S.C. Their children were:

- 1 Jennie Creer b July 28, 1902 m Sept. 4, 1924 to Howard J. Stoddard.

SAMUEL MORROW

Buried in Greenwood Cemetery in Tuscaloosa, Ala.

"This tomb covers the mortal remains of Samuel Morrow born 1745 died March 8, 1837 aged 92 years. The deceased was a native of Ireland he immigrated to the United States at the age 15 years and landing at Charleston, S.C. joined arms of the Union in struggle for Independence. He was at the siege of Charleston and Savannah and served his country faithful throughout the war of the Revolution. At close of the war he immigrated to Kentucky and was among first settlers of that state where he lived for many years a blessing to his family and beloved by all who knew him. The institutions of this country are his monuments."

Here's what I abstracted from this Samuel Morrow's application (# S15288) for pension in Washington.

Samuel Morrow of S.C. applied Sept. 3, 1832 from Fayette, Ala. At this time he was 86 years of age. He was living in Chester District, S.C. when he enlisted sometime in Feb. 1776 with Capt. Brown in Chester District and served with him the remainder of his time under Capt. McClintoch about Aug. 1779. He served under Gen. Sumpter and Col. Henderson for term of enlistment—fought Cherokee, was at Battle of Black Stock when Sumter was wounded, fought in many small contests against British and Tories, marched to Charleston, to Savannah, to the Attamba River against Creeks, battled with them, to Tucker's Swamp in S.C., and was discharged from Gen. Sumter. There was not one word in there about his family

I have had a letter from Miss Jennie Bell Lyle, 2103 North Polk Street, Little Rock, Arkansas 72207, and she tells me that this Samuel Morrow married in Chester Co., S.C. to Elizabeth Knox, daughter of James Knox and Elizabeth Craig. James Knox died in Chester Co. between Oct. 1786 and 1790. Soon after this Elizabeth and most of her family migrated to the vicinity of Crab Orchard, Kentucky, after a few years some of these went to Tenn. and much later Jacob Sutton, who married Ann or Nancy Knox (sister of Elizabeth's), went to Alabama, so did Samuel Morrow. Jacob Sutton died May 25, 1836 in Walker Co., Ala. and Nancy Sutton died Sept. 15, 1842 Walker Co., Ala. When and where did Elizabeth Knox Morrow die? Probably before 1830 according to this:

Fayette Co., Ala. 1830 census

John Morrow males 1 0/5 2 5/10 1 10/15 1 15/20 1 20/30 1 40/50 1 80/90,
females 1 10/15 1 15/20 1 40/50.

I assume that this 80/90 male is the old Samuel Morrow living with his son, John Morrow. John is not in the 1840 census. Has he moved or died? How did Samuel Morrow get buried in Tuscaloosa? There is in the 1830 census a David Morrow age 50/60, the right age to be another son of Samuel's, also a James M. Morrow age 20/30, a John D. Morrow age 20/30, an Alexander Morrow age 20/30, the right ages to be grandsons of old Samuel Morrow. Who are the parents of this Samuel Morrow? I think he is the son of David Morrow and his wife Mary who lived in Chester Co., S.C. from 1766 to 1780-85, but I have no proof.

The marriage of Elizabeth Knox to a Samuel Morrow is found on p. 243 in the *Knox Family*, published in 1905 by Hattie S. Goodman of N.C.

Here are several Morrows who lived in Greene and Pickens Counties of Alabama near our Morrows, but who are not descendants of ours. This one:

Robert Morrow b ca 1790, place and parents not known. He got 6 land grants (400 acres) from Jan. 15, 1826 to Nov. 1835, all located between Bethany and the Sipsey River in Pickens Co., Ala. He was there in the 1830 and 1840 census with a wife and 2 sons and 4 daughters. He died Sept. 29, 1840 and is buried in Bethany Cemetery near Aliceville, in Pickens Co., Ala. His monument gives his death date and Martha as his wife, but no birth date. I have no hint as to who his parents are, perhaps some of those Morrows in Chester Co., S.C., even the David of Waxhaw.

A Robert Morrow married a Martha Morrow on Mar. 5, 1812 in Mecklenburg Co., N.C. (p. 203 of N. and S. Carolina Marriages by Clemmons). The 1850 and 1860 census of Pickens Co., Ala. show she and 4 of her children were born in N.C.

James Morrow, Jr. and Susannah Watson had a daughter Martha, born Mar. 2, 1789 in Mecklenburg Co., N.C. This Martha had a brother Benjamin, who was a major in the War of 1812 and who lived on the Morrow Plantation in suburb Charlotte, N.C., now Myers Park. So with this information, I think the above Martha and the one here in Pickens Co. are the same. In the 1869-1871 Probate Minutes of Pickens Co., Ala. is Martha's estate settlement. This shows she died July 12, 1871 and names her living children. It's assumed she is buried in Bethany Cemetery, but there is no monument for her. Their children:

- 1 Mary Morrow b June 10, 1816 d Aug. 30, 1846 m Simpson Noland and they had these children:

William B. Noland of Pickens Co., Ala.

Martha Noland m William H. Hearson of Pickens Co., Ala.

Margarett Noland m Marvin E. Edwards of Greene Co., Ala.

Mary M. Jane Noland a baby buried with her mother.

- 2 Benjamin Maxwell b Sept. 29, 1818 d Apr. 14, 1855 unm. Buried at Bethany.
- 3 Margarett Morrow b ca 1820 d after 1871 unm.
- 4 Robert E. Morrow b ca 1823 not named in Martha's est. sett. Wife Maggie d 1897 and buried in Bethany Cemetery.
- 5 Matilda Morrow b ca 1828 m John W. Shearon about 1850. They had

two babies buried at Bethany in 1852-3. They were living in Choctaw Co., Ala. in 1871.

6 Emeline Morrow b ca 1831 m ? Massey after 1860.

It seems to me there should still be some descendants of these girls in Pickens, but I have never tried to find them.

There is another Robert Morrow or Morroh. He shows up in Greene Co., Ala. 1833, getting a land grant a few miles south of Clinton toward Boligee. He bought and sold land in that area until 1842. He was a son-in-law of Margaret Means (her husband James C. Means, deceased). She appointed him one of the executors of her will, proven in 1835 in Greene Co., Ala.

I copied 7 records of him in Greene Co., Ala. In three of these his name was Robert Morroh. He was born Feb. 22, 1800 in Abbeville District, S.C., the only child of Hugh Morrow and his wife, Mrs. Ann Margaret Richey Wilson, the widow of George Wilson and daughter of James Richey, Sr. of Chicksaw, Abbeville District, S.C. She had 3 children by George Wilson: John, Margaret, and James and she had Robert by Hugh Morroh. She died the day that Robert was born. (Will of James Richey, Sr. Box 109 Pkg. 3112 and Est. Adm. of George Wilson Box 100 Pkg. 2472 Abbeville, S.C.).

Robert married Aug. 15, 1826 to Eleanor R. Means, the youngest child of James Means and Margaret Mayes of Spartanburg District, S.C. She was born Dec. 3, 1807. Her father died Mar. 16, 1807 and is buried there in Fairforest Cemetery.

Around 1830 Robert with his little family and his mother-in-law, Margaret Means, moved to Greene Co., Ala. The first account I find of him is Feb. 14, 1831 in the *Greene Co. Patriot*, a newspaper published in Greensboro, Ala., as follows: "Robert Morroh, Clock and Watch Maker, Greensboro, Ala. Respectively begs leave to inform his friends and the public that he has established himself in the city of Greensboro, where he intends carrying on the clock and watch making business in all its branches. From his attention and experience in the above business and the reasonable charges that will be made, he flatters himself that he will be able to give general satisfaction to all those who may favor him with a call. Orders from a distance thankfully received and punctually attended to." Robert was executor of his mother-in-law's estate. She died Feb. 27, 1835. On July 15, 1833, Robert got a grant of land 2 miles south of Clinton, Greene Co., Ala. toward Boligee. In that area he and his wife bought and sold land until Mar. 1841.

After this and before 1850, Robert and Eleanor moved to Mississippi and settled near Florence in Rankin Co. There they lived until he died Aug. 19, 1856 and she Oct. 1, 1873. Both are buried in Florence Cemetery. They had 11 children:

- 1 James Means Morroh b July 8, 1827 d Dec. 4, 1827.
- 2 Hugh Alexander Morroh b Jan. 2, 1829 d July 19, 1856 m Nov. 30, 1853 to Adelaide Sinclair.
- 3 Margaret Ann Morroh b Apr. 17, 1831 d Aug. 3, 1834.
- 4 William James Morroh b Sept. 3, 1833 d May 9, 1856 unm.
- 5 John Robert Morroh b June 10, 1836 d Mar. 18, 1863 m Oct. 11, 1860 to Sallie E. Berry.
- 6 Thomas Jefferson Morroh b Sept. 22, 1838 d Oct. 26, 1842.

- 7 Mary Elizabeth Morroh b Apr. 13, 1841 m Feb. 11, 1863 to Pleasant B. Berry.
- 8 Eloisa Viola Morroh b July 20, 1843 m Oct. 25, 1865 to H. S. Cole.
- 9 Margaret Ann Morroh b Apr. 18, 1845 m Aug. 31, 1865 to Simeon Lacy.
- 10 Walter Scott Morroh b Dec. 23, 1847 d Sept. 5, 1853 .
- 11 Elen Julia Morroh b July 15, 1850 d Nov. 8, 1853.

When Robert died, only 4 of his children were living.

Samuel Morrow, Jr. was born Oct. 5, 1805 in Greenville District, S.C. He came with his parents to Morgan Co., Ala. They were Samuel Morrow and Rosa Dorough, his grandparents were Robert Morrow and Mrs. Jane Peden Morton. Samuel, Jr. was a cousin of ours and he must have come visiting often, for on Sept. 5, 1839 he married Margaret E. Chambers of and in Greene Co., Ala. They lived in the Union Community of Greene until after the Civil War, and when last heard from, they were living in Western Tenn. He was a schoolteacher and owned 400 acres of land in Greene Co. That county's 1850 census shows them with these children: Mary A. age 10, twins Samuel A. and John C. age 7, William L. age 5, Isabella A. age 3, and George age ? .

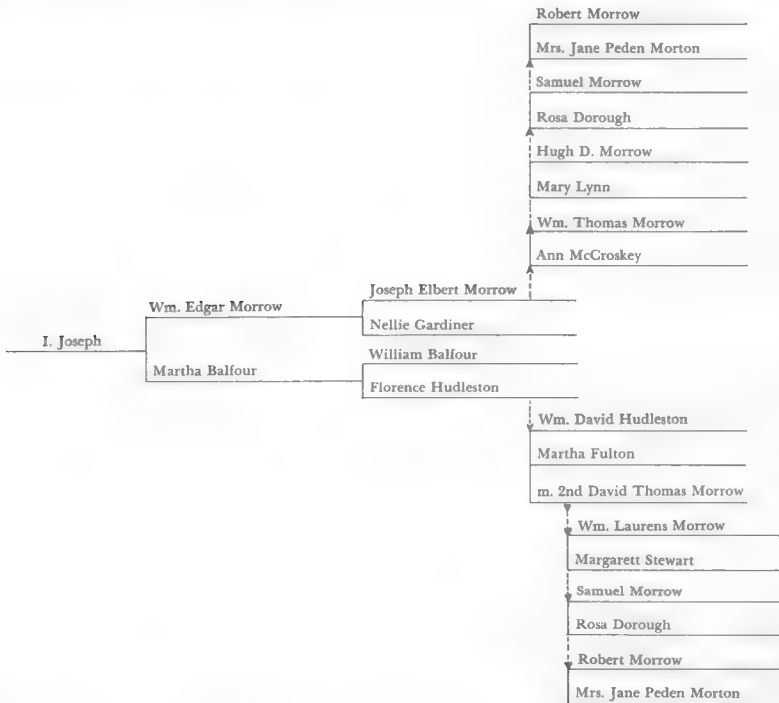

Jan. 19, 1967. This was a cold day—down to 16 degrees when Heston and I left home to go visit Miss Rosa Morrow in Gadsden, Ala. She was a spry little lady, 86 years old, eyes and ears failing, but her memory was good. Here's what she gave me from records and memory:

Dr. David Thomas Morrow was born Oct. 5, 1830 in Somerville, Morgan Co., Ala. and died probably at Gadsden, Ala. He was a son of William Lauren Morrow and Margaret Stewart, the grandson of Samuel Morrow and Rosa Dorough, the great-grandson of Robert Morrow and Jane Peden Morton. He's another cousin of ours who came down to Greene Co. and married Eliza Ann Wilson on Nov. 19, 1856. She was born Feb. 5, 1836, the only child of Thomas Edwin Wilson and Jane Witherspoon Hudleston, the granddaughter of James Huddleston and Mary Elizabeth McClary. She died Jan. 1, 1881 and is buried in Concord Cemetery in Hale Co., Ala. about 8 miles south of Moundville. They lived near Stewart's Station in Greene Co., Ala. (now Hale Co. since 1867). All their children were born here and here they are:

- 1 Willian Thomas Morrow b Sept. 22, 1857 d Aug. 1, 1858 buried in Concord Cemetery.
- 2 Mary Eliza Morrow b Nov. 17, 1858 d April 2, 1934 m ? Adams. Had 3 sons and 3 daughters. One is Helen who m Caleb Wilkerson. She lives in Gadsden, Ala. and Miss Rosa Morrow lives with her.
- 3 Margaret Florence Morrow b Mar. 31, 1860 d Oct. 8, 1862 buried in Concord.
- 4 Thomas Wilson Morrow b May 10, 1862 d Sept. 18, 1940 at 235 S. 6th St., Gadsden, Ala., where he had lived 52 years, coming with his parents from near Stewart's Station, Hale Co., Ala. He was popular and beloved "Uncle Tom," a Presbyterian, a salesman, and insurance agent.
- 5 Emma Jane Morrow b Dec. 15, 1864 d July 10, 1936 unm.
- 6 Samuel Monroe Morrow b Nov. 3, 1865 d ? m twice.

- 7 Anne Stewart Morrow b June 23, 1868 d 1956 Sumterville, Ala. m Milton Fulton.
- 8 Alice Gould Morrow b Oct. 30, 1869 d Nov. 1937 m James Hardesty.
- 9 Rosa Cooper Morrow b Aug. 23, 1871 d 1960 unm.
- 10 Mattie Huddleston Morrow b Jan. 3, 1874 d unm.
- 11 Lula Winn Morrow b May 13, 1876 d July 19, 1939 m ? Johnson.
- 12 Daisy Fleming Morrow b Aug. 23, 1878 m Jean Penticost—reared large family in Gadsden, Ala.

Dr. David Thomas Morrow married a second time in 1881 to Mrs. Martha A. Fulton Hudleston, the widow of William David Hudleston. He is a brother to Dr. Morrow's first wife's mother, was born May 9, 1828, and died Dec. 20, 1867, buried in Concord. I do not know when nor where the doctor and Martha died, but one bit of information says they moved to Gadsden about 1910.

Heston and I roomed University of Alabama students (20 at a time) for 25 years at 803-12th Avenue, Tuscaloosa, Ala. One of those with us in 1951 was Joseph Balfour Morrow of Gadsden, Ala. I loved all those boys, especially Joe. I will never know whether it was because his name was Morrow or because he was a handsome young man and a well-behaved roomer. I worried him so much about his Morrow family line. What he could give me seemed "mixed up." When you look at above chart of him, you can understand.

Our Barnett Family

Joseph Barnett was granted 300 acres of land on a branch of 2 mile creek waters of the Enoree River in southern Spartanburg Co., S.C. May 15, 1770. (Land Grants Vol. 25 p. 480 Columbia, S.C.) I do not know his birthplace but it can be assumed he was born 1750-1760. He married in the early 1770's to Sarah Alexander, the daughter of Rev. Joseph Alexander, whose will was made in 1809 and is published in *History of Newberry Co., S.C.* by Sumner.

Joseph died or was killed during the Revolutionary War. Four Stub Indents (AA 298 Acct. 3348) in S.C. Archives Dept. in Columbia, S.C. show payments made to Joseph Barnett's estate for his militia duty in Roebucks Regiment Anderson's returns and also show that his son, William Barnett, as administrator of the estate, and his wife Sarah assigned indent over to James Crow on Jan. 7, 1788.

In Deedbook C p. 67 Spartanburg, S.C. from William to Sarah on Dec. 24, 1790 is "for and in consideration of a certain legacy given to me by my mother, Sarah Barnett, that I the said William Barnett hath given and granted unto said Sarah Barnett and to her only proper use all my whole right to plantation, 300 acres whereon my father lived at the time of his death and now is in the possession of said Sarah Barnett—situate on north-side of 2 mile creek and on branch of said creek." Wit: Joseph Barnett, Moses Ward, James Lansford.

At this same time, I find Sarah in Hancock Co., Ga. selling 100 acres of this land to John Leatherwood and witnesses were Joseph and Benjamin Barnett (in Deedbook H p. 166 Spartanburg). She is still there April 24, 1797 when she sells to Joseph Barnett of Spartanburg Co., S.C. "200 acres being a part of a tract of land granted unto Joseph Barnett, deceased, Nov. 5, 1770 lying on branch of 2 mile creek waters of the Enoree River." Wit: Benjamin Barnett & John Brown. (Spartanburg Deedbook G p. 85).

On Dec. 7, 1795 Sarah buys "200 acres of land on waters of Swift Creek, a fork of Buffalo" in southern part of Hancock Co., Ga. in the Linton community." (Book D. p. 80 Sparta, Hancock Co., Ga.) Wit: Benjamin Barnett & Wm. Elliot. In Georgia's Land Lottery 1805, Sarah Barnett had 2 draws but received no land. Then the first of Feb. 1810 Sarah is in Twiggs Co., Ga. selling the above 200 acres. Wit: George, Miles Barnett, Douglas Barnett. (Book I p. 304 in Hancock Co., Ga.)

On June 10, 1834, while Sarah was living in Washington Co., Ga., she was granted land in Robinson Militia District, Lot #218 District 5 in Houston Co., Ga. (Georgia Land Lottery of 1821 Act). Did she go there to live?

When we came from S.C. in 1964, we stopped at Sparta, Hancock Co., Ga. All I found there is what I've given above. I was told there were no Barnetts in Hancock Co. now but there were many in Wilkes Co., Ga. We drove on the Jeffersonville, Twiggs Co., Ga. Their records were burned in 1900 and the ordinary told me no Barnetts lived in Twiggs Co. now.

All but a few of the Washington Co., Ga. records were burned in 1864. Even so, since here is the last place I have record of Sarah living, I'd like

to go back there and search the county, as well as that of Wilkes and Houston for her. The census of 1790, 1800, 1810 of Georgia has been destroyed. Awful luck. Suggested children: 1. William Barnett (proven) 2. Joseph Barnett, Jr. 3. Benjamin Barnett 4. Miles Barnett 5. maybe a daughter married to John Leatherwood and others.

II GENERATION

There is good circumstantial evidence that Joseph Barnett, Jr. is a son of Joseph Barnett, Sr. and Sarah Alexander, but no absolute proof so far. With this in mind, I would place his birth about 1775 there on 2 mile creek in southern Spartanburg Co., S.C.

On April 27, 1797 he bought 200 acres of land there on the branch of 2 mile creek waters of the Enoree River, (Spartanburg G-85), and later 100 more acres there (Spartanburg P-217). This was the home where he and his wife lived, reared their children, and died.

He married Nancy about 1798. I do not know her maiden name. She died in 1838 but there is nothing in her estate settlement package 17 box 4 4 at Spartanburg except "Citation was read at Bethel Church Nov. 11, 1838."

Joseph died in 1826 for his wife, Nancy and his son-in-law, John Fowler applied to administer his estate Nov. 13, 1826, and this was read at Unity Church (Box 3 pkg. 8 Spartanburg). Joseph was a tanner, shoemaker, and farmer, as his inventory shows many tools for such, as well as slaves (2 women and 3 boys), an unusual amount of stock (60 hogs), geese, chickens, crops, furniture, but no land, as Joseph had given land or equal money to his children prior to his death. Children named in his estate:

- 1 William Barnett b ca 1800 m Anna ? living in DeKalb Co., Ga. 1821.
- 2 Benjamin Barnett (our line).
- 3 Sarah Barnett b ca 1804 d before 1843 m John Fowler—lived near father.
- 4 John Barnett b ca 1807 living in DeKalb Co., Ga. 1829.

III GENERATION

Benjamin Barnett was born May 19, 1802 on the 2 mile creek waters of the Enoree River in the southern part of Spartanburg Co., S.C. and died Oct. 10, 1845 in Pickens (now Greene) Co., Ala., about on the dividing line of Jena and Mantua communities. Benjamin married Bathsheba Thornton Mar. 21, 1822 in S.C. She was born Nov. 29, 1802 in the same area of S.C., and was the daughter of John Thornton and Elizabeth Crow. She died Mar. 1, 1868 at their home in Greene Co., Ala. and is buried beside her husband in the Unity Baptist Church Cemetery near Olney, Pickens Co., Ala. There is no marker there now.

Benjamin received from his father's estate (Box 3 pkg. 8 Spartanburg, S.C.) the following: \$321.00, 1 mare, 1 cow and calf, 1 sow and pigs, 1 bed and furniture, 1 ewe and lamb, 1 oven and pots, 1 set knives and forks, 1 set spoons, 1 set plates, 1 dish, 1 ax, 1 pr. of chanes, 1 plow, 1 hoe, 300 lbs. pork. Similar amounts were given to all the children.

Benjamin obtained a land grant of 80 acres on north side of the Sipsey

River in Pickens Co., Ala. on July 17, 1826. He added to this until he had 160 there and 160 acres on the southside of the river in Greene Co., a home of 300 acres. I have been told their house and tanyard was located on the southside of Sipsey River (now Greene Co.) on a hillside near the swimming hole used by the children of Jena community. He was a tanner, shoemaker, and farmer, too. Their children:

- 1 Martha Ann Barnett b Mar. 21, 1823.
- 2 Nancy C. Barnett b Dec. 20, 1824 d Feb. 21, 1865 m ? Mayes.

- 9 Eliza Jane Barnett b July 17, 1839 d July 17, 1926 m Jane 2, 1867 to John P. Hatter.
- 10 Daniel J. Barnett b 1843 d May 25, 1864 unm.—his left leg was shot off in Civil War, causing death.

Our Cork Family

John Cork came to America from Ireland on the ship "Lord Dunluce." He landed at Charleston, S.C. a short time prior to Jan. 6, 1773 This is from the "Original List of Protestant Immigrants to S.C. 1763-1773" by Janie Revill.

He was one of the Protestant refugees who came to S.C. on the encouragement of the Bounty Act passed by the General Assembly of S.C. July 25, 1761. This gave special benefits to these religious refugees to settle in that state. One part of the Bounty was a promise to give 100 acres of land to each single person 16 years old and up and to each married man 100 acres plus 50 acres for his wife and 50 acres for each child under 16 years of age.

Records show that John Cork was eligible for 150 acres, so that tells us he was married but had no children when he arrived. Tradition is that they were from County Antrim and that a baby of their died on the way over.

It is shown in the office of the Secretary of State in Columbia, S.C. that John Cork was granted 150 acres of land June 6, 1775 in Craven District, S.C., now Fairfield County in the Woodward Community. He acquired more acres later on the Bushy Fork of Little River.

He was hardly settled before Americans began their War of Independence against Great Britain, so he helped them. Proof is found in the Historical Commission Building in Columbia, S.C. Stub Entry # 82 of the Revolutionary War Claims says on Oct. 29, 1785 John Cork was paid 17 pounds for 119 days duty as Horseman in 1781 and 1782.

There was only one Cork in the state of S.C. when the 1790 census was taken and that was John Cork with 1 male over 16, 3 males under 16, and 6 females in his household. He was living in Fairfield County of Camden District. Here he seems to have 5 daughters but he names only 4 daughters in his will, and I have been unable to learn anything about a fifth daughter.

Because he is buried there, it is assumed that he belonged to Concord Presbyterian Church on Highway # 321 in the community of Woodward, Fairfield Co., S.C. In this church cemetery on a small tombstone is this inscription, "John Cork died Feb. 15, 1798 age 53 years." Six days before his death he made a will and below is an abstract copy.

William Cork and his wife Mary A. sold their home, 194 acres for \$2128, to James B. Mobley on Dec. 24, 1831. It was located on Bushy Fork of Little River in the Woodward Community of Fairfield Co., S.C. On Aug. 31, 1832, he obtained his first grant of land in western Tuscaloosa County, Ala. and received 5 more, the last in June 1836 which totaled 440 acres. This is now known as the Marlowe Place. With all his family he moved here in early 1832. Their children married and reared their families in this area.

William died Feb. 25, 1859 at age of 74 years and Mary A. died April 26, 1863 at age of 76 years. Both are buried in the Pleasant Grove Methodist Church Cemetery at Jena, Greene Co., Ala. Her maiden name is not known. Maybe it was Mobley.

III GENERATION

William Cork, Jr. was born Nov. 21, 1813 in the Woodward Community, Fairfield County, S.C. When he arrived in Alabama with his parents, they spent the night in the home of Levi and Dorcas Gregory. There young William met their daughter, Nancy Ann T. Gregory, whom he married Oct. 5, 1837. Nancy was born Jan. 18, 1818 in Union County, S.C.

They established their home a few miles from their parents in the Jena Community Pickens (now Greene) County, Ala. He died Aug. 5, 1901 and Nancy died Oct. 5, 1866 and both are buried in Pleasant Grove Methodist Church Cemetery at Jena. Much of this information came from William's Bible now owned by Mrs. Ellis Lavender (nee Fannie Cork) of the Jena Community: address Ralph, Ala. RFD. Children:

IV GENERATION

Levi Hughes Cork was born Sept. 11, 1838 at Jena, Pickens (now Greene) County, Ala. He enlisted in the Civil War July 27, 1861 at Carthage (now Moundville), Ala. in Co. E. 18th Regiment Alabama Infantry. He was promoted to Corporal and wounded at Missionary Ridge, received a medical discharge April 3, 1864. His wife was approved for pension Nov. 23, 1920. She then owned 240 acres of land valued at \$1000, after giving each of their children 40 acres each.

He married Feb. 15, 1866 to Martha Jane Turner the daughter of John Kimbrough Turner of Salem, Greene Co., Ala. She was born Mar. 11, 1845. They soon obtained this home in the hilly area of northeastern Greene Co., Ala. where they reared their family and always lived.

Like his Cork ancestors, Levi was a farmer and noted for his ability to raise plenty of food, animals, and material for clothing. He died before I was born but these things were still there when I could remember: always some kind of fruit or berries were ripe, fresh meat, vegetables, honey, molasses and home made loaves of bread on the table when we went there. My mother remembers him as an even-tempered man and very loving with his children, a faithful member of the Methodist Church.

He died Feb. 9, 1897 of what they think was a rupture appendix. Janie died Feb. 24, 1925. Both are buried in the Pleasant Grove Methodist Church Cemetery at Jena. Children:

- 1 John Kimbrough Cork b Oct. 11, 1866 d Sept. 27, 1868.

Our Gregory Family

Isaac Gregory I was living on Brown Creek in Union Co., S.C. before the Revolutionary War, and I do not know where or when he was born. I calculate his birth to be ca 1730-35. Proof his his service in the Revolutionary War is found in S.C. Indents by Sally as follows: Vol. Y p. 287 # 393 Liber Z. Issued 18 Dec. 1787 to Isaac Gregory for L 11. 11. 5 sterling militia duty pa // from the commrs, Interest L o 16. 2.

He made a will Aug. 13, 1796, and it was recorded April 3, 1797, meaning he died between these dates. He named his wife, Alisey (Elsie or Alice) and the following children: (WB I p. 61 Union Co., S.C.)

- 1 Isaac Gregory II b ca 1760 (our line).
- 2 Benjamin Gregory d before 1797 m Margaret ?
- 3 John Gregory d ca 1819 m Rhoda ?
- 4 Robert Gregory d ca 1813 m Marianna ?
- 5 Jarred (Gerard) Gregory d ca 1803 m ? Freelove.
- 6 Jeremiah Gregory m Lettice ?
- 7 Elizabeth Gregory m Lafford French ca 1805.

II GENERATION

Isaac Gregory II lived on Bushy Creek water of the Tyger River in Union Co., S.C. He made a will Jan. 17, 1824 and it was recorded June 5, 1824, so he died early in 1824 (WB # B-C p. 139). In the will he named his children but made no mention of a wife, so she died before him and I do not know her name.

I am sure if someone searched records of Union Co., S.C. more could be learned about this Gregory family. I have done less work on these than any of our lines. What I have just fell into my hands including the oldest Bible records I own. This Bible was first owned by Isaac II and the records were of his family written in 1817, other are those of Levi's family—my great-great-grandfather. Their children:

- 1 Leheiman (Levi or Levy) Gregory b Dec. 11, 1783 (our line).
- 2 Jeremiah Gregory b April 26, 1786.
- 3 Molly Gregory b Oct. 17, 1788.
- 4 John Westley Gregory b Jan. 27, 1791.
- 5 Elsey (Alisey) Gregory b Sept. 10, 1793 m ? Lowery.
- 6 Allen Gregory b Nov. 10, 1797.
- 7 Isaac Gregory III b Aug. 6, 1802 m (1) Harriet Johnson Oct. 24, 1820 (2) Elizabeth Huffman on April 6, 1858.

III GENERATION

Levy Gregory was born Dec. 11, 1783 in Union Co., S.C. and died Oct. 24, 1855 on the Tuscaloosa County side of the Jena Community, Ala. That area was in Pickens County then. Levy was in Union Co., S.C. when the

1830 census was taken but left soon after for he received his first land grant at Jena on Sept. 26, 1832 and his next one May 9, 1835, totaling 80 acres (Warrant # 8201 and 14696). Many things, such as deeds, estate settlements, marriages, etc., we might have learned about this family were destroyed when the Pickens County Courthouse burned.

Levy's wife was Dorcas ? . I have reason to believe her maiden name was Thompson but no proof. She was born 1788 in S.C. (census) and died Nov. 27, 1851 at Jena, Ala. It is strange I do not find these older Gregorys buried in the Pleasant Grove Methodist Church Cemetery at at Jena or on that church roll. Their Bible gives these children:

- 1 Lucinda H. Gregory b April 17, 1809 m Joseph Tate.
- 2 Lousia P. Gregory b April 17, 1811.
- 3 Thompson H. Gregory b Mar. 26, 1815 d June 29, 1900.
- 4 Nancy Ann T. Gregory b Jan. 18, 1818 d Oct. 5, 1837 (our line).
- 5 Rachel J. Gregory b Oct. 2, 1820 m David Huffman on Dec. 12, 1840.
- 6 Matilda E. Gregory b Nov. 27, 1823 m John Huffman on Feb. 2, 1843.
- 7 Mary G. Gregory b April 17, 1826 d May 31, 1857 m ? Bailey.

Nancy Ann T. Gregory married William Cork, Jr., and their son, Levi Cork had a daughter, Lela Esther Cork, who married JAMES HUGH (JIM) MORROW # 74641.

Our Jennings Family

David Jennings lived in S.C. and moved to Ky. in the late 1700s (from census records of his children). I do not know anything else about him except the names of four of his children who came to Tuscaloosa Co., Ala. One child's name came from the Burns data and three from the estate settlement of William J. Smith on Nov. 10, 1856 (Box 17-257 Tuscaloosa). He is the right age to be a Revolutionary War soldier, but there is no application for a pension from him. Known children:

- 1 James Jennings b Dec. 3, 1777 S.C. (our line).
- 2 Garret Jennings b 1778 S.C. d in Tuscaloosa Co. m Letta ? . Two known descendants: Rev. Balous Jennings (1817-1870) of Tuscaloosa Co. who m Sara P. Leavell and a present day genealogist, Beasley Hendrix, Tuscaloosa, Ala.
- 3 Sarah Jennings b 1779 d Feb. 2, 1841 at Taylorville, Tuscaloosa Co., Ala. m Peter Burns (ancestor of the late Gov. Lurleen Wallace).
- 4 Rebecca Jennings b ca 1794 Ky. d 1836 in Tuscaloosa Co. m Samuel Woodward.

II GENERATION

James Jennings was born Dec. 3, 1777 in S.C. and died July 26, 1856 at Ralph, Tuscaloosa Co., Ala. He is buried in the Bethel Baptist Church Cemetery there. He went with his parents to Ky., there married in the early 1800s to Phoebe ? , and there more than half their children were born. Phoebe was born Jan. 4, 1784 and died Aug. 17, 1857 at Ralph and was buried beside her husband.

James came in the early 1820s to Tuscaloosa Co., Ala. and settled in the northwest part of Taylorville Community, east of the Warrior River. There he obtained land grants of 320 acres, the first 3 on Feb. 16, 1825 (# 4517, 4518, 4519 & 9469). He later got 120 acres west of the river in southwest tip of Tuscaloosa Co. near the dividing line between Ralph and Knoxville communities, now the Shep Park place. He moved there after 1840 and there died. He made a will July 5, 1856 and in its settlement named their children:

Our Kimbrough Family

No one has been able to find the name Kimbrough in any country except the United States and Canada, so John Kimbrough must have coined a name for himself on arriving in America; or it is so different in the old countries that no one can recognize it. In this country we find it spelled Kimbro, Kimborrow, Kimbrow, Kimborough, Kymborough and Kimborowes. In Scotland Kim means "sent" and in Ireland Brough means "forever."

John Kimbrough, the colonist, was born 1640-47, probably in England. He arrived in Maryland with wife Mary and 3 children. Mary is said to have been a Doughlas. They were first living in the area of Port Tobacco, Md. and later St. Mary's Md. (Archives of Maryland Vol. LX Charles Co. Cour 1666-74. Court Series 9 pp. 242, 438, 500, 501, and Vol. LXVI p. 141, 153, 311.)

John Kimbrough left Maryland in 1676, and on Feb. 20, 1676/7 in St. Peter's Parish, New Kent Co., Va., he petitioned for maintenance for lameness from military service, likely in the Bacon's Rebellion. For this he was given a life pension of 1000 pounds of tobacco and caske yearly. (*History of Louisa Co., Va.* by Harris p. 371).

On Oct. 23, 1703 Wm. Winston and John Kimbro received a patent of 1500 acres of land in St. John's Parish, King Williams Co., Va. on Pamunkey neck on the branches of Mongelick Creek, joining Littlepage and Johnson. In 1687 he was granted 475 acres for paying the passage of nine persons to the Colony of Va.

On Sept. 23, 1703 John Kimbrough, James Nuckols, and Richard Corley petitioned St. Peter's Church, saying they lived very remote from that church and asked that a new church be built near them on upper side of Meachamp Creek on King's Road. Mr. Kimbrough gave 2 acres of land and a spring, also all manner of timbers for building it. This was named St. Paul's Church (Vestry Book & Register of St. Peter's Parish, New Kent and James City Counties by Va. State Library 1684-86 p. 86). On Sept. 24, 1708 John Kimbrow, Sr. sold his plantation for a Glebe for the St. Peter and St. Paul Churches (Vestry at St. Paul's New Kent Co., Va.)

John Kimbrough was living in St. Paul's Parish, New Kent Co., Va., when he died in 1716, as "widow Kimbrough's land proccessioned April 16, 1716" (St. Paul Parsh Register p. 180).

Hanover Co. was formed from this area in 1720, King & Queen Co. was cut from New Kent in 1691 and King William Co. from King & Queen in 1701-2. I have given all proof I have on the above colonist. Those things we'd like to know most have not been found and may never be, for several reasons—one being the Church of England was the dominant faith of this area of Va. at that time and the Vestry of the Church performed a number of governmental functions, such as the proccessioning of the lands, orders for surveys, taxing, records of births, marriages, deaths, etc. The St. Peter's Church was burned and all records of the early Kimbroughs were destroyed except for the years of 1684-86.

In the Colony of Virginia the church was supported by a tithe or tax on all white males 16 or more years of age, females of all ages, and slaves of all ages and both sexes. The tithable tax records for this period seem to have survived better than the records of the Vestry Book and Register. The Va. State Library is working to make these tithable tax lists available in published form. I am looking forward to this to help with these Kimbroughs. Much credit must be given to Felix A. Kimbrough, 415 S. W. 33, Oklahoma Cit, Okla. 73109, and John H. Pierce, 1909 Schiller Avenue, Little Rock, Ark. for this information. No proof but evidence shows these are his children: By first wife:

- 1 John Kimbrough, Jr. b 1660-65 England d ca 1743 m Elizabeth (some say she was a Bradley, others a Graves.
 - 2 Marmaduke Kimbrough. Nothing known of him—probably died young. Some think he may have been unusual or something happened to him to cause so many Kimbroughs to be named Marmaduke.
 - 3 Ann Kimbrough m ? Turner.
- By his second wife, Margaret (Buckley?):
- 4 Buckley Kimbrough b Nov. 17, 1699 d 1743 Edgecombe Co., N.C.
 - 5 Marmaduke Kimbrough b 1701 (our line).
 - 6 Margaret Kimbrough. Edgecombe Co., N.C. Marriage Bonds show that Margaret, sister of Marmaduke Kimbrough, married Richard Harris in 1739, also Oct. 24, 1739—that I, Marmaduke Kimbrough, of the province of N.C., Edgecombe Co., N.W. Parish—unto my youngest sister now Margaret Harris and unto her husband Richard Harris late of Hanover Co., Va., and in and for divers other considerations of thereunto moving here—100 acres of land.

II GENERATION

Marmaduke Kimbrough was born ca 1701 in New Kent Co., Va. and died between May and Aug. 1769 at "Shallowford" near the village of Huntsville then in Rowan Co., N.C. This area became Surry Co. in 1771 and Yadkins Co. in 1850. His first wife was Ann ? , and his second was Mary ? . Mary married a second time to John Allen who helped her with administering the estate.

On Aug. 25, 1731, Marmaduke Kimbrough patented 400 acres of land on Cubb Creek, Hanover Co., Va. Cubb Creek is a tributary of the South Anna River which flows into the Pamunkey River, the site of the original land granted John Kimbrough, the colonist—a short move up stream. He sold this land June 3, 1735 and his wife Ann signed this deed with him. About this time he and Buckley Kimbrough went to Edgecombe Co., N.C. Marmaduke patented land on Little River which runs through that section in lower Randolph and upper Montgomery counties still known today as Uwharrie. He lived in what was then Bladen Co., and this part became Anson Co. in 1750 and 1779 Montgomery Co.

And to make it more complicated, Marmaduke Kimbrough was one of the justices at formation of Orange Co., N.C. in Sept. 1752 and at same time the Orange County Court ordered "that Marmaduke Kimbrough building a courthouse for Orange County near the Piny Ford on Haw River—" In Dec. that year the court "Ordered that an Ordinary Licence

be issued to Marmaduke Kimbrough at his home." In March 1755, he is shown as a Justice of the Orange Co., Court of Pleas and Quarter Sessions. There's proof for you descendants to join the Colonial Dames.

He buys land on the 28th of July 1749 in Anson Co. and sells it in 1757, about the time he went to Shallowford. In Rowan Co., N.C. Deed-book 1759-62, we find Marmaduke buying land from Benj. Loan and 1764-68 from Joseph Bryan. Daniel Boone's wife was a Bryan of this family and were neighbors of the Kimbroughs in the Shallowford community. This area later became Surry Co. in 1771. Most of the above information has come from other genealogist but from here on will be what I have found.

"In the Name of God, Amen. I, Marma Duke Kimbrough of Rowan County in the province of North Carolina, being of health and of perfect sense and memory do make and ordain this my last will and testament and do dispose in manner and form as following:

"I give and bequeath unto my son, John Kimbrough, the lands whereon he now lives, called Uwarry, likewise the following negros. Viz: Matt, Dick, Bob, Reuben, Absalom, Moses, Jane, Lett, Henry and Lett's child, together with what of my estate I give and bequeath unto my son, Orman Kimbrough, the place where on I now live, called Shallowford, together with two improvements of land adjoining the aforesaid tract to him, and his heirs forever.

Item—It is my desire that the tract of land purchased of Thomas Bryan, lying on Deep Creek, likewise the tract of land purchased by Thomas Turner, near the Shallow may be sold and the money arising therefrom to be laid out in lands to the best advantage of the discretion of my good friends, my executors, hereafter, mentioned, and the lands so purchased to be equally divided amongst the following: My beloved wife, Mary Kimbrough, my son, George Kimbrough, my son Golman, and my daughter, Anna Kimbrough, to them and their heirs forever.

"Item—It is my desire like that the following negroes to wit: Dick, Sam, Caesar, Hannah, Rachel to be equally divided amongst my beloved wife, Mary Kimbrough, my son, George Kimbrough, my son, Orman Kimbrough and my daughter Anna Kimbrough, by my executors, whenever they shall come of age, to them and their heirs forever.

"Item—It is my desire likewise and all my just debts to be paid out of the outstanding debts due me and the rest remaining together with the rest of the personal estate to be equally divided amongst my beloved wife, Mary Kimbrough and her children above mentioned. Observed that this now mentioned is not part of legacy to my son, John Kimbrough, which is first mentioned and I do constitute and appoint my beloved friend, Roger Turner, Jr. and Elias Turner by executors of this my last will and testament, revoking all other wills by me made.

"In witness whereof I have hereunto set my hand and seal, this twenty-second day of October, one thousand seven hundred and sixty-eight.

Mr. D. Kimbrough (seal)

"Signed, sealed, and published in the presence of Elias Turner and James Forbers."

This will was proven in Rowan County but all the probate papers are filed in Surry Co. I found them there, old and faded, but my time was

too short to copy many. The Minutes of the Court of Pleas and Quarter Sessions there for August 1781 gave the following: Ordered by the Court that Joseph Williams be appt. Guardian to George Kimbrough, Golden Kimbrough, Orman Kimbrough and Marmaduke Kimbrough orphans of Marmaduke, deceased. Marmaduke was born after his father died. The inventory submitted by John Allen, adm. in Aug. 1784 shows there was much more estate than shown in will, in loans to persons, etc. A Book of Common Prayers printed in Edinburg in 1783, owned by George Kimbrough, and passed to his descendent, Miss Julia Marmaduke Sheek of Mocksville, N.C., gives the birth of Mary and 4 of her and Marmaduke's children: Mary Kimbrough born 10 day of April 1742; Anna Kimbrough daughter of Marmaduke Kimbrough and Mary his wife born 27 dy October 1761; George Kimbrough born Nov. 3 dy 1764; Goldman Kimbrough born June 1 dy 1766; Orman Kimbrough brn Jan. 30 dy 1768.

A copy of this is in the DAR Library in Washington, D.C. Marmaduke's children:

By wife Ann—

- 1 John Kimbrough. All I know of him is what's in his father's will and Soelle's report of his visit to Uharie Nov. 1771 to March 1773, saying he preached at the house of John Kimbrough who was quite young and the most important man in the community—that on Aug. 1772 a muster was being held at his house—that in March 1773 John Kimbrough was building a Tavern to relieve his house from the constant stream of visitors (*Moravians in N.C.* by Fries Vol. 2 p. 680, 796, 797-8, 801).

By wife Mary—

- 2 Anna Kimbrough b Oct. 27, 1761 at Shallowford.
- 3 George Kimbrough b Nov. 3, 1764 at Shallowford d May 18, 1846 in Surry Co., N.C. m Catherine Young.
- 4 Goldman Kimbrough b June 1, 1766 at Shallowford d in Walker Co., Ala. but had lived in Franklin Co., Ala. since ca 1820 m Mary Allen.
- 5 Orman Kimbrough b Jan. 30, 1768 (our line).
- 6 Marmaduke Kimbrough b 1769 and for this reason he is not in his father's will or listed in his Prayer Book.

III GENERATION

Orman Kimbrough was born at "Shallowford" near the village of Huntsville, Rowan Co. (which became Surry 1771 and Yadkins 1850), N.C. on Jan. 30, 1768 and died in the same house in 1820. He married first on Oct. 13, 1795 in Surry Co., N.C. to Elizabeth Davie or David. For many years the tradition was in our family that he married the daughter of Gov. William Richardson Davie but a search proved she was not. My great-aunt joined the DAR on this but the eligibility to become a member on this has been closed. Many have hunted for some Davie parents for her but have found none. From Kimbro-Kimbrough Genealogical Quarterly Vol 2 # 3 p. 10 is this "James David died in Talbot Co., Md. before 1784. Tradition says he was killed in the Revolution. He served in the Delaware Militia, although his wife and family lived in Talbot Co., Md. James David married Sara Pierce and they had two daughters, Elizabeth and

Sara. After James David died, William Sweat was administrator of his estate and married his widow. They moved to N.C. between August and December 1786. The two girls married in Surry Co., N.C.—Elizabeth to Orman Kimbrough (1795) and Sara to Elias Turner (1797). Elizabeth died after bearing 4 children. Sara died 1817, and they were both buried in Surry Co., N.C.

I am ready to accept Elizabeth David as Orman's first wife. He married a second time to Mildred Pattillo, the daughter of a famous Presbyterian minister, Rev. Henry Pattillo and his wife Mary Anderson. Mildred survived Orman and is said to have come with her son, George Henry Kimbrough, to Greene Co., Ala. in 1830.

On Oct. 6, 1964 Heston and I were on our way to Poughkeepsie, N.Y. We were going to pass so near that I suggested we try to find "Shallowford," the ancestral home of my Kimbroughs. We went to Huntsville, then a short way to Yadkins River, after crossing we turned south on the first right-hand road, a good graveled one on which we traveled about 2 miles to Shallowford. There lived a couple past middle age—Mr. and Mrs. Grover Wishon whose address is Lewisville, N.C. RFD. They were very kind to show it to us and tell about it in detail. I have never been able to express my feelings as I walked over these grounds. I thrill when I think of it yet.

The house was located on a knoll about 200 yards from the road. Originally Shallowford was 640 acres, but Mr. Wishon bought the house seat and half of the acres. He intended to repair the house to live in but found most of the foundation timbers crumbling from age, so in 1933 he took down the old house and built a new one on the spot. He used many of the inside timbers, flooring, etc., which he showed us and pointed to a depression in the yard where there was an underground storage room for ice, and also he pointed to a large pile of native rock which was the fallen chimney and fireplace of the old kitchen.

The old house was 50 ft. wide, had a basement, 2½ stories above the ground, and 4 chimneys. At the rear of the house were two large barns, one was the original one. About a half mile away was the Yadkins River and the shallow ford. We could have seen it from the barn had it not been for the tall green corn growing as far as we could see on this rich bottom land. Since we were there I have been told there's a cemetery on the place—wish I could have seen it. Orman was a baby when his father willed this place to him, so he grew up here, married, reared his family, and died here (his estate set. in 241-A Surry Co. July 27, 1820). His children:

By first wife Elizabeth—

- 1 Sarah Ann Kimbrough b Aug. 1796 at Shallowford m Rev. John Turner as his 2nd wife Feb. 3, 1819—soon after came to Walker Co., Ala. later going to Greene Co.—then to Lamar Co., Ala. where she died Feb. 14, 1879 (our line).
- 2 Marmaduke Kimbrough b Aug. 26, 1800 at Shallowford m Elizabeth Alston Douthit in S.C. Dec. 26, 1826—came to Salem Community Greene County, Ala. where he d Feb. 17, 1873.
- 3 Mary Kimbrough m John Benjamin Howard on Mar. 23, 1816 went to Graves Co., Ky.

By 2nd wife Mildred—

4 A child who died in infancy.

5 George Henry Kimbrough m (1) Eliza Kennedy m (2) Esther Love Steele on Feb. 9, 1835. He came to Greene Co., Ala. ca 1830. Later settled in Scooba, Miss.

Sara Ann and John Turner had a son, John Kimbrough Turner. He had a daughter, Martha Jane who m Levi Hughes Cork. Their daughter, Lela Esther Cork m JAMES HUGH MORROW (see Morrow # 74641).

Our Leavell Family

Here come my French ancestors: John Leavell, a Huguenot, was born in 1675 and came to America about 1715 and settled in Virginia, probably in York Co., dying in 1740. We have record of only two children:

- 1 Robert Leavelle (our line).
- 2 John Leavell b 1720.

II GENERATION

Robert Leavell was born 1818 in Virginia; I'm not sure of the county. His relatives hold annually a reunion in Spottsylvania Co., near Cloverdale, the old ancestral homestead and cemetery, A descendent by the name of Edward Gayle owns it now. He married in the 1740s to Sarah ? (maybe Cole or Griffin or Marshall) I prefer Griffin.

They moved to Bush River Community in Newberry Co., S.C. in the late 1770's, according to this: "Jan. 12, 1769 Robert Levil was granted 300 acres of land on Bush River in Berkley (now Newberry) Co. S.C.," found in Vol. 18 p. 153 in Sec. of State, Columbia, S.C. He was too old for service in the Revolutionary War. But Revill's Stub Intris Claims for S.C. show that "Issued 24 Aug. 1785 to Robert Levell 6 pounds 5 shillings and 4 pence for provisions for Militia."

His and Sarah's names are on the 1792-1804 membership list of Bush River Baptist Church and he was a Deacon. She died between this time and 1797 when he died. There is an old granite gravestone with crudely chiseled letters "Robert Leavell was b. 1718 d. 1797." Robert Leavell made a will which is recorded in Book I p. 21 Newberry, S.C. in which he names 5 children and I assume these are all.

- 1 Frances Leavell b late 1740s d before 1797 m ? Ryal.
- 2 Richard Leavell (our line).
- 3 A daughter b early 1750's m Elijah Teague.
- 4 Edward Leavell b July 16, 1832 d Jan. 16, 1832 m (1) ? m (2) Rachel William 1795.
- 5 John Leavell b 1759 d May 1826 m (1) Margaret Jones m (2) Frances Williams.

III GENERATION

Richard Leavell was born about 1750 in Virginia. He came with his parents to Bush River Community about 1768-69 and about that time married ? Taylor, daughter of Jonathan and Mary Taylor (Box 20 pkg. 43 Newberry, S.C.). Jonathan Taylor made his will Oct. 9, 1793, proven May 18, 1795, naming his wife Mary and his son-in-law Richard Leavell as executors. We do not know her maiden name. According to census she died between 1800 and 1810.

The will of Richard's father says "I bequeath to my son Richard Leavell 100 acres of land joining his plantation where he now lives." In 1790 he lived next door to his brother John and two doors from his brother

Edward and his father, which means in the Bush River Community. He was the right age to serve in the Revolutionary War, but I have found no record of that so far.

- 1 Robert Leavell b ca 1774 m Sarah Perry 1803 moved to Ohio.
- 2 Daughter b ca 1776.
- 3 Isaac Leavell b ca 1778 d 1815 m Deliah ?
- 4 James Leavell b ca 1780 d Aug. 1810 m Elizabeth Reeder 1799. (Ancestor of the 9 Leavell brothers of Oxford, Miss.).
- 5 Daughter b ca 1782.
- 6 William Leavell b 1785 d July 12, 1857 m Mary ?
- 7 Daughter b ca 1788.
- 8 Daughter b ca 1791.
- 9 Richard Leavell b ca 1794 (our line).

IV GENERATION

Richard Leavell, Jr. was born ca 1794 in Bush River Community, 10 miles northwest of Newberry, S.C. I have spent much time trying to get proof as to which of the three Leavell men there is his father. By elimination, he is not the son of Edward nor John, so he would have to be the son of Richard, who married ? Taylor. Richard, Jr. married Frances Niel or Neal ca 1813 in S.C.

On Oct. 4, 1816, he (with Frances signing) sold 100 acres of land situated on Bush River, joining John Leavell, John Cole, John Miller, Wm. Barret, and Wm. Spence. Wit: Wm. Neal & Jesse Cole. (Doesn't that sound like land Robert willed to Richard, Sr.?) (Recorded Sept. 5, 1825 Deedbook T-2 p. 118).

Richard was not in the 1820 census of Newberry Co., S.C. nor Greene Co., Ala., so where was he living from 1816 to 1826? Maybe St. Clair Co., Ala. He received a grant of 80 acres of land in Greene Co., Ala. on Feb. 3, 1826, # 5618, also 40 acres on May 17, 1836, # 19306, and 40 again on Oct. 22, 1843 in Tuscaloosa Co., Ala. Frances later got 40 more which may have been for his service in the War of 1812. In Archives in Washington, D.C. is this: "Richard Leavell 807 War 1812 Pvt. in Nash's Reg't of S.C. Volunteers Capt. John Wallace's Co. of Infantry."

Frances deeded this 200 acres to her son, Joseph Leavell, provided she could live there during her lifetime, Mar. 5, 1857 (Book 4 p. 361 Tuscaloosa, Ala.). She died between 1860 and 1870 and he died May 15, 1850. They are supposed to be buried in the old Bethel Baptist Church Cemetery, but it is now so covered with trees and leaves covering monuments that I can't find their graves. On Aug. 23, 1846 Richard Leavell witnessed the will of his next door neighbor, William Neel. I wonder if he was not a brother of Frances's. We do not know her parents.

One by one I have gathered up all their children and dates from relatives, censuses, Bibles, and cemeteries. He has more descendents who nearly all still living in this area than any man I have ever known of. Children:

- 1 Mary (Molly) Leavell b 1814 S.C. m Joseph Smith Dec. 24, 1834.
- 2 Robert Leavell b 1816 S.C. d 1860-70 m Margaret Hunnicutt on Feb. 22, 1838.

- 3 Margaret Elizabeth Leavell b Mar. 8, 1818 Ala. d Jan. 14, 1846 m to James M. Garner about 1836.
- 4 Sarah Permelia Leavell b Apr. 12, 1820 Ala. d after 1880 m Rev. Baylus Jennings Sept. 4, 1841.
- 5 Edith (Eady) Leavell b 1822 m James Thomas Feb. 8, 1838.
- 6 James Griffin Leavell b 1827 (our line).
- 7 France Leavell b 1830 m Sterling W. Owens Nov. 22, 1849.
- 8 Richard Drayton Leavell b Jan. 12, 1832 d Nov. 15, 1896 m (1) Nancy A. Park Aug. 8, 1852 (2) Mrs. Mary E. Hopkins June 7, 1890.
- 9 Joseph M. Leavell b Apr. 14, 1835 d Feb. 20, 1905 m (1) Agnes Henderson 1860 (2) Mosouri Hale Apr. 1870.
- 10 Nancy Jane Leavell b Jan. 16, 1838 d June 20, 1904 m William S. Park July 9, 1860.

V GENERATION

James Griffin Leavell was born 1827 in or near the Knoxville Community, Greene Co., Ala. When the census was taken in 1850 he was living alone there (maybe on his father's Greene Co. land). He wasn't alone long for on Nov. 21, 1850 he married Tirza Ann Stewart, the daughter of George A. Stewart and Elizabeth Jennings. She was born Jan. 1, 1836 at Knoxville, Greene Co., Ala. By 1860 they had moved some 10 miles to the hilly north-east Greene Co., Ala.

On Apr. 1, 1862 at the age of 35, he enlisted in Co. F 41st Regiment Ala. Infantry. Capt. Eddins Co. in Tuscaloosa. Appointed 4th Sgt. Promoted 3 Sgt. Killed Sept. 20, 1863 in Battle of Chickamauga. Pension began for Tirza June 30, 1887. Even with this she had a hard row to rear 7 little children. She died in 1909 and was buried in her church cemetery, Bethel Baptist Church Cemetery at Ralph, Tuscaloosa Co., Ala. Their children:

- 1 James Andrew Leavell b Dec. 15, 1851 d Sept. 2, 1928 m (1) Martha A. P. Cork (called Matt and Janie) June 13, 1872 (2) to Mrs. Hattie Huffman Cork Dec. 15, 1909.
- 2 Martha Ann Leavell b Dec. 24, 1853 d Jan. 28, 1897 m Artemus Sims Cork on Oct. 15, 1873.
- 3 George Aaron Leavell b Dec. 24, 1854 d May 13, 1939 in Texas m Melvina Thomas Jan. 6, 1875.
- 4 Mary Alice Leavell b June 15, 1856 (our line) m WALTER PATTON MORROW # 7461.
- 5 Sydenham (Sidney) G. Leavell b Nov. 4, 1857 d about 1885 buried at Bethel m Louise Garner July 3, 1879. She and 3 children went to Texas in 1886.
- 6 Hulda Miranda Leavell b May 10, 1859 d Sept. 7, 1887 m Samuel Alexander Cork on Feb. 6, 1879.
- 7 David Mack Leavell b Dec. 1862 d May 10, 1950 went to Texas 1890 d in Terral, Okla. m Milly Jane Garner June 27, 1880.

Our Phillips Family

John Phillips of Ireland, born about 1678, married Ann Edwards of Wales. They did not come to America but some of their children did. According to tradition Gabriel Phillips was one of them and the oldest proven Phillips ancestor we have.

II GENERATION

Gabriel Phillips was born ca 1720-25 in north Ireland. He was an Irish weaver of woolen and linen cloth. He emigrated to America and settled in Pa.—where we do not know, but we think it was in Chester Co.—and later went to Washington Co. I could not find him on the tax list of that county but found him listed in 6 different places in the Pa. Archives as serving in the Revolution among Washington Co., Pa. Militia and Rangers from 1777 to 1793 as a private. I have not been able to find a GABRIEL Phillips anywhere else in Pa. or the surrounding states so this must be our Gabriel.

Somewhere and sometime he married Johannah Cook. About 1783 they moved to Black Rock Community in the southern part of Union Co., S.C. between the Enoree and Tyger Rivers, now in the Sumter National Forest. He lived here until late in life when he went to live with his son, Edward Phillips, in Newberry Co. This was probably after his wife died, for he made his will there Nov. 28, 1808 and made no mention of a wife, but named his children. It was recorded Feb. 6, 1809 in Newberry Willbook E p. 14. Much of this information came from a manuscript written by a descendent, Charles W. P. Phillips. Mrs. George Crump of Steele, Ala. has the original copy and I copied it in 1955. It is also in Deedbook F. p. 185. Children:

- 1 Edward Phillips m Ellender Beaty.
- 2 Susannah Phillips m ? Starkey.
- 3 Peter Phillips (our line).
- 4 Gabriel Phillips.
- 5 Hannah Phillips m ? Cooper.
- 6 John Phillips.

This may not be the order in which they were born but it's the order he named them in his will.

III GENERATION

Peter Phillips was born in 1762 in Ireland or Pa. The manuscript says that at the age of 20 he went into the service of the colonies for their struggle for independence. When peace was made he went back to Pa. (where was he?) and came to S.C. with his father. There are a number of Peter Phillips who were paid for services in the Revolution, but with this little information I have no way of proving which or if any one of them is ours. There is no application for pension for Gabriel or Peter, and no one has joined the DAR through their services.

Soon after coming to S.C., Peter married Sarah Cooper, a Quaker and the daughter of William Cooper and Lidy Clark. In Deedbook A#1 p. 170, Q p. 189, K p. 204, R p. 183, and D p. 29, he buys about 400 acres of land. The later is 200 acres at the mouth of a large creek on the southwest side of Broad River in Pinkney District, formerly known as Ranger's Lodge, now Broom Creek (is that Brown Creek). Also, there are 30 acres on the southside of Broad River.

They continued to live in this Black Rock Community all their lives. Peter died Oct. 12, 1820 and Sarah died Dec. 29, 1842. Both are buried in the Cooper Family Cemetery. First he was a weaver but took up mechanics later. Manuscript names children:

- 1 William Phillips b July 15, 1785 m Margaret Whitten in 1804. They never left this vicinity, living in Union Co. until about 1830 when they moved to Spartanburg Co.
- 2 Jeremiah Phillips b ca 1787 m Abigail Cooper (I have no record of him leaving Union Co.). Sold 257 acres land on Padgett's Creek in 1854 and no wife signs.
- 3 Joseph Phillips b May 4, 1790 and died July 13, 1859 at Wellington, Calhoun Co., Ala. m (1) Elizabeth Pressley (2) to her sister, Sarah Jane Pressley 1831. Buried in Union Methodist Church Cemetery at Wellington. He had 15 children and was financially well to do.
- 4 Jonathan Phillips b May 4, 1790 a twin to Joseph (our line).
- 5 Elizabeth Phillips m William Duckett.
- 6 Mary (Polly) Phillips m Jacob Duckett.
- 7 Isaac Phillips b July 22, 1800 and died April 17, 1880 in Forsyth Co., Ga. He lived on the Chatahoochie River in that county. He married Permelia ? and both are buried in the Shady Grove Church Cemetery in Forsyth Co., Ga.

All these children were born at Black Rock, Union Co., S.C. Heston and I followed an old road and path through a pasture into a full-grown forest to see Peter and Sarah's grave. I will include a diagram of how to find it in this.

IV GENERATION

Jonathan Phillips was born May 4, 1790 and died 1860-70 at Knoxville, Greene Co., Ala. He married first about 1810 but we do not know her name. He married again there in S.C. prior to 1830 to Nancy Roebuck, the daughter of George Roebuck of Spartanburg Co., S.C. We think these two are buried in Buelah Baptist Church Cemetery in Buelah Community, Greene Co., Ala. but have no markers.

On Sept. 4, 1810, he bought 50 acres of land in Union Co., S.C. (DB-M p. 108) and was drafted from Meadow's Old Field, Laurens Co. S.C. in the War of 1812. He was a private under Capt. S. Parsons, Col. James Park and Gen. Starling Tucker. On Oct. 30, 1818 he buys 170 acres of land in Laurens Co. on the southside of Enoree River and by two branches running into said river and lying between them including the plantation whereon Elijah Bobo lately lived. Did Jonathan marry the first time a Bobo, a Park, or a Maddox or whom? (Deedbook L p. 33).

He is in 1820 in Spartanburg Co., and then Sept. 12, 1826 Jonathan

Phillips "of the District of Laurens, S.C." buys 285 acres on the Lick Creek waters of the Enoree River in Spartanburg Co., S.C. The 1830 census shows him living in Spartanburg Co., with a younger wife, 4 sons and 2 daughters, ages 5 to 20 years (DB-U p. 282). He sold 360 acres of land on Lick Creek waters of Enoree River on Nov. 12, 1836 (DB-W p. 263). He got his first land in Alabama Dec. 14, 1837 in the Knoxville Community near and on the line dividing Tuscaloosa and Greene Counties. There he spent the rest of his life as a farmer and blacksmith and bought and sold quite a lot of land around there like a trader. The census taker missed him in 1840 and by 1850 most of his children were away from home, so we have never known how many children he had, but I will name those we do know about.

- 1 Joseph Phillips b 1811 (our line).
- 2 Wm. Pinckney Phillips b Jan. 22, 1813 S.C. d Aug. 16, 1886 at Knoxville, Greene Co., Ala. Buried at Buelah, Greene Co., Ala. in Buelah Baptist Church Cemetery m (1) Eliza C. Hatchet on Aug. 9, 1838 in Tuscaloosa Co., Ala. (2) to Matilda C. Penson in Aug. 1870.
- 3 Levi Phillips b ca 1816 S.C. m Mary Elizabeth Mahaffa. Both die between 1860 and 1865 for on Sept. 4, 1865 James Henry Wilkerson of Greene Co., Ala. adopts their orphan 5-year-old son.
- 4 Maybe a daughter who married a Park.
- 5 James Phillips. No proof that he is son of Jonathan. Census shows he had another and a James Phillips m Rebecca Meador on Dec. 18, 1850 in Greene Co., Ala.
- 6 Nancy Phillips. No proof she is Jonathan's daughter but she m Edmund W. Stephens on Nov. 13, 1845 in Greene Co. She was born 1823.
- 7 Jeremiah Phillips b 1834—nothing more is known of him after 1850 census Greene Co., Ala. in his father's household.
- 8 Jonathan Phillips b 1836 m Sarah J. ? . Both were in house with his father in 1860 Tuscaloosa Co., census. Nothing more is known of them.
- 9 Wm. Thomas Phillips b 1838—only child born in Ala., all others born in S.C.—m Polina Jacobs on April 14, 1863. Nothing more is known of them.

Aunt Bettie Lewis, a granddaughter of Jonathan says he was a very strong man, even in his old age, had a perfect set of original teeth when he died. He was 6 feet tall, had a ruddy complexion and a Roman nose. He died before Nancy, and she was blind when she went to live with her son, Pinckney.

V GENERATION

Joseph Phillips was born ca 1811 in Union Co., S.C. and died Sept. 8, 1886 at Walnut Grove, Etowah Co., Ala. (formerly Blount Co.). He is buried there in the Byrd Cemetery. He married in S.C. to Nancy (Byrd?). Their first 3 children were born there and they came to Walnut Grove, Ala. 1837-39. After 1840 they came to Knoxville Community, Greene Co., Ala. Nancy became ill with cancer and wanted to go back to Walnut Grove to be buried, so he carried her there in 1854. In 1854-55 he was granted 160 acres of land partly in Tuscaloosa Co. and partly in Greene Co.

He married a second time to Jane Garrett on Sept. 4, 1855 in Greene Co., Ala. Between 1857 and 1860 they moved to the Summitt Community, Blount Co., Ala., and by the 1870 census, they were living at Blountsville, Blount Co., Ala. Uncle Ross Phillips told us that Joseph was 6 ft. and 4 in. tall, weighed 240 lbs., and was an unusually strong man, who could lift more and run faster than any man in the community. He was a good blacksmith, could make anything of iron or wood, and was also an expert marksman with a gun. His children:

By 1st wife:

- 1 Rachel Phillips b 1833 S.C. In 1850 Greene Co., Ala. census she was in her father's home. No more is known of her. I wonder if Joseph and Pinckney's mother (Jonathan's 1st wife) wasn't named Rachel for both named a daughter Rachel.
- 2 James Pinckney Phillips b 1836 S.C. (our line).
- 3 John Perry Phillips b 1837 S.C. We are told that he was a minister and went back to S.C. to live, he had red hair and freckles, and didn't resemble the rest of the family.

VI GENERATION

James Pinckney Phillips was born Oct. 19, 1835 near Enoree River, S.C. and died in the Knoxville Community, Greene Co., Ala. There he had lived all but a few years of his life, on the spot or general area where his father and grandfather had lived. He died Mar. 10, 1913 of smallpox. He married Susan Lewis, daughter of Felix G. Lewis and Cecelia Roberts of Greene Co., Ala. on June 18, 1857 at his father's house. Susan was born Aug. 28, 1838 and died Mar. 21, 1915. Both are buried at Bethel Baptist Church Cemetery at Ralph, Tuscaloosa Co., Ala. He was a farmer and

blacksmith. He made horeshoes and shod horses during the Civil War. He was a fine violin player and a good marksman when hunting. Children:

VII GENERATION

James Monroe Phillips was born Jan. 1869 at Knoxville Community, Greene Co., Ala., and there he lived about half his life and the rest just over in Tuscaloosa Co. He died Oct. 9, 1948, and he and his wife are buried at Bethel Baptist Church at Ralph, Tuscaloosa Co., Ala. He married Emma Florence Williams on Mar. 13, 1890. She was born July 2, 1870 and died Aug. 30, 1954. Monroe was a farmer, blacksmith, and merchant. He played the violin well and enjoyed hunting. He and his father were small men compared to their ancestors, Joseph and Jonathan. Their children:

All of James Pinckney and James Monroe's children were born in Greene Co. or in Tuscaloosa Co. near the line dividing them—in or near Knoxville Community.

Our Stewart Family

Tradition is that Charles Stewart and his wife, Johannah Kirk, settled on Neil's Creek in N.C. shortly after 1750. I believe that is true for records show a Charles Stewart getting a patent of land there on Oct. 3, 1755. In the next 30 years, he sold 916 acres on Neil's Creek (DB # 3 p. 66, # 6 p. 7, # 11 p. 414, # 17 p. 224, # 26 p. 127, at Fayetteville, Cumberland Co., N.C.).

"May 7, 1805 I, Charles Stewart of Wake Co., N.C. for and in consideration of natural love, good will and affection which I bear for my son, James Stewart, I doth give all my whole estate, negro woman Cloe, stock, household furniture, working tools, 3 tracts of land (283 acres) which includes the 100 acres upon which I live, located on waters of Black Creek, joining line that divides counties of Wake and Cumberland—reserving the use of it during the life time of he and his wife Hannah." He and Hannah signed this (DB # U p. 278 and 280 Raleigh, Wake Co. N.C.).

Charles was likely born ca 1728 and she 1732. He died Nov. 15, 1807 and she died Jan. 1, 1823. Some by proof, some by circumstantial evidence, these are some or all of their children:

- 1 Reuben Stewart b ca 1750 d 1850-1860 Fayette Co., Ala. m Elizabeth McConnell.
- 2 John Stewart b ca 1755 d 1844 Cumberland co., N.C. (our line).
- 3 Charles Stewart b ca 1758 m Elizabeth Clements.
- 4 Elizabeth Stewart b ca 1760 m Reuben Clements.
- 5 Joseph Stewart b ca 1762 d ca 1824 Coats, N.C. m Elizabeth Matthews.
- 6 George Stewart b ca 1768 d June 1831 Cumberland Co., N.C. m Rebecca Utley Jan. 20, 1789.
- 7 James Stewart b July 12, 1775 d Aug. 1867 Wake Co., N.C. m Mary Cutts.

There was in this area land holder, John Stewart, and his wife, Ann, who may have been the parents of the above Charles Stewart.

II GENERATION

John Stewart was born ca 1755 likely in Cumberland Co., N.C. and died there in 1844 (WD # C p. 75). John Stewart bought 250 acres of land on Mills Creek in Cumberland Co., N.C. on July 20, 1782 and 24 more on the spring branch of Mill's Creek on Mar. 16, 1796. John married Martha Blalock who died ca 1854.

John Stewart of Cumberland Co., N.C. made his will Nov. 24, 1832, it was probated Dec. 1844, and it says "I reserve my land to my use and to the use of my wife Matty during our life time, then after our death I give my land to be equally divided between my four daughters, Patty, Mary, Ann, and Sary also all my stock of all kinds all household and kitchen furniture. To my sons David John Joseph Reuben and George—10 shillings apiece" (lived in Buckhorn Dist. E. of Cape Fear River).

On Oct. 30, 1854, an article of agreement was made: "John Stewart late of Cumberland Co., N.C. did in his life time make a will leaving his

estate, land and perishable property to his four daughters: Martha, Mary, Nancy, Sarah each to have alike." Now each one agreed nothing shall be sold—that all shall remain while all four are living and pass one to the others as each one dies. John was of the age to have served in the Revolutionary War, but I have not checked on this. I cannot name their children in order of birth as I have census records of only about half of them, but this seems the likely order:

- 1 Joseph Stewart b ca 1783 (our line).
- 2 David Stewart b ca 1785 moved to Ga. later to Tenn.
- 3 John Stewart b ca 1787 remained in Cumberland Co.
- 4 Martha Stewart b ca 1790.
- 5 Mary Stewart b ca 1791.
- 6 Reuben Stewart b ca 1793 moved to Ga. m Charity Hale Dec. 19, 1815.
- 7 Ann (Nancy) Stewart b ca 1795.
- 8 George Stewart b ca 1797 moved to Ga. later to Moore Co., N.C.
- 9 Sarah Stewart b ca 1800.

III GENERATION

Joseph Stewart was born in 1783 in Cumberland Co., N.C. and died in 1867 in Moore Co., N.C. He married ca 1804 to Mourning Senter. Some say her name was Mary Senter, so he was married twice or her name was Mary Mourning Senter. The census of 1820 to 1840 shows him living in Cumberland Co., N.C. west of Cape Fear River, Little River District. In the 1837-38 tax list, he had 150 acres on Campbell's Creek. This area became Harnett Co. in 1855. Soon he moved to Moore Co., for he is in 1850 and 1860 census of that county, in the Longstreet Community where he died.

Joseph made a will on Feb. 19, 1864 and it was probated Oct. 1867, naming his wife Mary as executrix, and his living children as Henry, George, Sally McNeill, Drury, Rebecca Smith, James and Mary Ann M. Bynam. (WB # C p. 162 Moore Co., N.C.)

- 1 Henry Stewart b ca 1806 living 1860 in Harnett Co., N.C. m Rebecca Truelove on Sept. 15, 1826.
- 2 John Stewart b ca 1808 d 1851-57 Cumberland Co. m (1) Jane Liles about 1831 (2) Pricilla Ann Williamson on April 25, 1848.
- 3 George A. Stewart b Mar. 12, 1810 (our line).
- 4 Sarah Stewart b ca 1812 m Neil McNeill before 1840.
- 5 A son b ca 1815 d before 1830.
- 6 Drurey Stewart b ca 1818 living in Harnett Co. m Mary A. ? .
- 7 Rebecca Stewart b Feb. 11, 1826 d Dec. 23, 1915 m William Smith on Mar. 12, 1844.
- 8 James A. Stewart b Dec. 9, 1828 (he was in the Civil War.) m Christian Ann Smith on April 3, 1850.
- 9 A son b ca 1830 d before 1850.
- 10 Mary Ann Stewart b Feb. 11, 1833 d Oct. 26, 1923 m Joseph H. M. Bynum, on Jan. 22, 1850.

IV GENERATION

George A. Stewart was born Mar. 12, 1810 in Cumberland Co., N.C. (area that is now Harnett Co., N.C.). He died Oct. 30, 1900 at Knoxville, Greene Co., Ala. He is buried in Bethel Baptist Church Cemetery at Ralph, Tuscaloosa Co., Ala. This was his church. He left N.C. soon after 1830 and came to the Taylorville Community of Tuscaloosa Co., Ala. There he married Elizabeth Jennings on Aug. 5, 1834. They lived there until after 1840, when they moved to Knoxville, Greene Co., Ala. where they lived until death.

Elizabeth was born Dec. 10, 1817 in Ky. and died Dec. 22, 1896 at Knoxville and is buried beside her husband. I have a copy of George A. Stewart's Bible now owned by M. W. Barton, 51 Cedar Knoll, Tuscaloosa, Ala. Their children:

- 1 Tirza Ann Stewart b Jan. 1, 1836 d 1909 m James Griffin Leavell on Nov. 25, 1850 (our line).
- 2 George W. Stewart b Mar. 22, 1837 d July 2, 1893 near Paris, Texas m Louise C. Tyree on Sept. 9, 1868.
- 3 Huldah P. Stewart b Nov. 6, 1839 d Aug. 22, 1910 at Jena, Greene Co., Ala. unm.
- 4 Sarah H. Stewart b Nov. 28, 1841 m Gilbert D. Taylor 1856.
- 5 Amanda Jane Stewart b Sept. 26, 1843 d April 26, 1915 m Joseph R. Stewart (1st cousin) Sept. 23, 1858, lived at Knoxville.
- 6 Margaret E. Stewart b April 3, 1845 d April 11, 1866 m Peter L. Barton in 1869.

Much of this information on the N.C. Stewart ancestors was given me by Mrs. Annie McGill Wilson, Vass, N.C. 28394 and Edgar McDoneld, 1506 Grove Ave., Richmond, Va. 23220.

The above Tirza Ann and James Griffin's daughter, Mary Alice Leavell, married WALTER PATTON MORROW # 7464.

Our Storey Family

George Storey was born in 1725 in York Co., Pa. and married Nancy Cantor about 1745, according to DAR records. In 1751 they came from Lancaster Co., Pa. to the Fairforest Community, Spartanburg Co., S.C., which is near present Glenn Springs, S.C. (How's *History of Pres. Ch. of S.C.*)

He received a grant of land there Nov. 10, 1752 and another Dec. 17, 1769 on which descendents still live, one being Mrs. James Ward. George built a fort on his land during the war to protect old people, women, and children, while young men were gone to war. It was called Storey's Fort, and because of this, he has been accepted by DAR as a Revolutionary soldier. He was a member of Fairforest Presbyterian Church and was buried in its cemetery when he died in 1805. He made a will in 1800, recorded in Spartanburg, S.C. He named these children:

- 1 Anothy Storey b 1746 d 1783 m Sarah Farris 1768.
- 2 George Storey, Jr. b 1751 d after 1781 m Susie Elder.
- 3 Henry Storey b 1756 d Mar. 19, 1837 m Elizabeth Cunningham.
- 4 John Storey m Nancy McIlwain.
- 5 James Storey b June 22, 1764 (our line).
- 6 Margaret Storey m ? Elder.

II GENERATION

James Storey was born June 22, 1764 in Spartanburg Co., S.C. and died Oct. 23, 1826 at Mantua, Greene Co., Ala. He was an elder in the Presbyterian Church in Feb. 1824 when the New Hope Presbyterian Church was organized. His grave has not been found. It's assumed to be on his plantation or at Hebron Presbyterian Church Cemetery.

He married (1) Katherine Cunningham who was born Nov. 3, 1768 at Little York, Pa. She died June 27, 1811 in Spartanburg Co., S.C. Before coming here, he married (2) Margaret White who survived him. He inherited from his father "all the tract of land I now live on containing 247 acres and one negro woman." James, with all his family arrived in Alabama in 1818, making his home in Mantua, Greene Co., Ala. I do not now have a listing of his land holding in Greene Co., but I do of his receiving a grant of 160 acres in Pickens Co., Ala. on Mar. 14, 1825.

James made his will Oct. 13, 1826, and it is recorded in Willbook L p. 146 in Eutaw, Ala. He names these children:

- 1 Dr. John Storey b Sept. 29, 1789 d Aug. 30, 1862 m Jane C. ? on July 13, 1826.
- 2 Elizabeth Storey b Jan. 10, 1792 m WILLIAM NELSON MORROW # 74).
- 3 Margaret Storey b July 3, 1793 d Feb. 25, 1870 m David Morrow # on Nov. 13, 1817. Her tombstone gives her birth as July 9th and the Bible as July 3rd.

- 4 Robert C. Storey b May 5, 1795 m Martha White 1824 buried at Hebron.
- 5 Jane Storey b May 7, 1797 d June 15, 1798.
- 6 Hannah Storey b Dec. 20, 1798 d 1826.
- 7 Mary Storey b Dec. 20, 1800 d May 3, 1803.
- 8 Anoth y L. Storey b Sept. 20, 1803 d Nov. 9, 1855 (Bible says Oct.3.
- 9 Samuel Wilson Storey b July 18, 1805 d before 1848. Lived in Mobile.
- 10 Henry Storey b Nov. 7, 1807 d Aug. 16, 1871 m (1) Jane White Feb. 14, 1833 (2) Eliza A. Sloan Feb. 11, 1866.
- 11 James Storey b June 14, 1809 d Sept. 22, 1840.

In May 1956, I had the opportunity to copy the Storey Bible owned by Irvin Eatman, Mantua, Ala., from which came the above birth dates, other from Hebron Presbyterian Church Cemetery. From # 123 Willbook L p. 146, the estate settlement of James Storey, I find he gives to his daughter Elizabeth, wife of William N. Morrow, the following: a negro woman Sall and her child and one seventh of the money, being \$202.53.

Our Thornton Family

William Thornton, called the "Immigrant" was born about 1615-20 in Yorkshire England and died 1708 in St. Paul Parish, Stafford Co., Va. It is stated that his tombstone there bears his coat of arms. On coming to America about 1641 he settled in York Co., Va., later moving to Gloucester Co. where he built a home and named it "The Hills." There he lived successfully from 1665 to 1676, was in Rappahannock in 1679 and Richmond in 1693. In his old age he moved to Stafford Co. near his son Francis Thornton.

This Immigrant left scant records of himself and family. The name of his wife is not known, some claim she was Elizabeth Rowland, others that she was Elsie, the daughter of Luke Billington, for whom Luke Thornton (who died in 1725 in Richmond Co., Va.) was named. It is my opinion that he married both, Elizabeth first and second Elsie, she being the mother of Luke who died in 1725. Although it is thought there were other children, including this Luke, there is proof of only three sons:

- 1 William Thornton, Jr. b Mar. 27, 1649 d Feb. 15, 1727 m (1) Aug. 24, 1671 (2) April 11, 1688 (3) Oct. 20, 1720 but the names of none of his wives are known. He was vestryman of Petsworth parish. His family Bible names sixteen children and gives dates of their birth. He lived in Gloucester Co., Va.
- 2 Francis Thornton b Nov. 5, 1651 d 1726 in King George Co., Va. having lived in Richmond, Stafford, and King George counties of Va., m (1) Alice Savage on April 13, 1674, the mother of all his children, m (2) Mrs. Jane Harvy m (3) Ann who survived him. His Bible is in Virginia Society.
- 3 Rowland Thornton b 165? d 1701 in Richmond Co., Va., having lived some in Rappahannock Co., m Elizabeth Fleming.
- 4 Luke Thornton. Our line.
- 5 Henry Thornton m Ann ? lived in Richmond Co., Va. 1686.

Richmond Co., Va. Deedbook 5 p. 49 on July 16, 1675 William Thornton, late of Gloucester Co., Va., now of Stafford gives to his sons Francis and Rowland Thornton 2000 acres (1000 each) on the north side of Muddy Creek which he had purchased Sept. 27, 1673 from John and George Moot, the patentee. This land was then in Richmond Co., Va. It fell into King George Co. in 1721 and in Stafford in 1777. Rowland's share was the upper 1000 acres.

On April 26, 1704, William Thornton, the younger, received a grant of 110 acres of land in Petsworth Parish, Gloucester, adjoining land of Mr. William Thornton, the elder. Above is proof that William, the Immigrant had 3 sons: William, Jr., Francis and Rowland. I've added Luke and Henry because they lived in same vicinity, are the right ages, and used the same family names.

II GENERATION

Luke Thornton I was born about 1650-60 in Virginia, we assume. On

Sept. 26, 1677, the Va. records show his wife is named Ann but doesn't give her maiden name. There has been a Luke in every generation of his descendants until this day, as well as other Biblical names. This is so much true that this has been called the Biblical-named line of Thorntons.

He made a deed of gift to his wife (not named) and children on Oct. 5, 1725 that is recorded in Warsaw, Richmond Co., Va. (Deedbook 8 p. 295). He made a will there (Willbook 5 p. 6) on Jan. 29, 1726 but made no mention of a wife, so she must have died since he made the deed. But he says "I, Luke Thornton of North Farnham Parish, Richmond Co., Va.", mentions his land and home there, also land in Westmoreland Co., children, and some grandchildren.

A Mrs. Alfred G. Henriksen, 5749 Katherine Ave., Van Nuys, Cal. has gathered much on this line of Thorntons. A Thornton Association has formed and a quarterly magazine published by Mr. and Mrs. Jerry Thornton, 106 Circle Drive, Nitro, W. Va. 25143, holding a Thornton reunion every year in Charleston, West Virginia.

To identify this Luke Thornton, many genealogists have used the term "Luke Thornton d 1725," but he died 1726 or later according to his will. His children:

- 1 Elizabeth Thornton b ca 1678 living 1726 m (1) Thomas Brown (2) Nathaniel Nash.
- 2 Luke Thornton, Jr. b ca 1680 d 1718 Richmond Co., Va. m Margaret James.
- 3 Matthew Thornton b ca 1683 d 1727 Richmond Co., Va. m (1) Elizabeth Hopkins May 13, 1706 m (2) Eleanor (Ellen) Crashe.
- 4 Mark Thornton (our line).
- 5 Thomas Thornton b April 1, 1688 d 1719 Richmond Co., Va. m Susanah Smith 171? She m (2) Samuel Gray.
- 6 Ann Thornton b ca 1690 living 1726 m John Mountjoy.

III GENERATION

Mark Thornton was born Sept. 23, 1686 in Farnham Parish, Richmond Co., Va. and died in Richmond Co., Va. (Est. sett. Book 8 p. 91 Richmond Co., Va.). His wife Mary is made administrator. Heirs are not named in it. Her maiden name was Bruce. Some genealogists give these three children:

- 1 Mark Thornton II b ca 1710.
- 2 Rowland Thornton b ca 1712 these may be the grandsons named by Luke I.
- 3 John Thornton b ca 1715 (our line).

IV GENERATION

John Thornton was born about 1715 in Richmond Co., Va. He shows up on Orange Co., Va. records in 1736 and marries there about 1740 to Jemima Longworth the daughter of William Longworth and Millicent Randall (at this time her mother is wife of Luke Thornton). Millicent was the daughter of Edward Ransdall who died in Westmoreland Co., Va. in 1724. Jemima was born Sept. 1724 in Westmoreland Co., one day after

her father died. There she and John were involved in a lawsuit against her mother and Luke, trying to get her share of her father's estate in 1741 (COB # 2 p. 416 to # 3 p. 337). I find no further record of them there.

John Thornton shows up on the tithe list of Lunenburg Co., Va. in 1752 (*Sunlight on Southside Lunenburg Co., Va.* by Bell p. 181 on list of Lyddal Bacon from Hound's Creek to head of Nottaway and Merherrin Rivers.) He continued on the list in that county until 1776 (p. 383). On Nov. 10, 1768 he buys 300 acres of land lying on branches of Merherrin River in Cumberland Parish, Lunenburg Co., Va. (DB # 11 p. 267). He sells the last of this Feb. 10, 1780 with Jemima signing this deed with him (DB # 13 p. 288).

When Virginia's first tax assessments were made in 1782, John Thornton is in Henry Co., Va., but if he owned land in that county, he must not have recorded it, because I could not find his name in the index of deeds (from *Va. Tax Payers 1782* by Fathergill and Naugle). On the 1786 personal and land tax list of Franklin Co., Va. is listed John Thornton, Sr. and Luke Thornton (*History of Franklin Co., Va.* by Marshall Winfield p. 209).

On April 1, 1787 John Thornton of Franklin Co., Va. buys 100 acres of land in that county on Fall Branch waters of Chestnut Creek, thence on the line of Robert Wood, John Martin and Luke Thornton's mill path (DB # I p. 183). On Sept. 22, 1788, he sold this and no wife signed with him. No more record of him here. Did he go with his son, Luke, to Spartanburg County, S.C.? Some of his children:

- 1 Thomas Thornton b ca 1740 d 1798 Spartanburg Co., S.C. m Martha ?
- 2 Luke Thornton b ca 1743 (our line).
- 3 William Thornton b ca 1746.
- 4 Randolph Thornton b ca 1748.
- 5 Henry Thornton b ca 1751 m Mary ?

V GENERATION

Luke Thornton was born ca 1743 in Orange Co., Va., moving with his parents to Lunenburg Co. ca 1752. It is by the tithe list in *Sunlight of Southside Lunenburg Co., Va.* by Bell that I find evidence that Luke is the son of John and evidence of the other children of John's that I have named. Here he married Martha ? ca 1762-64 and here on Nov. 10, 1768 Luke buys from his father 100 acres of land, located by the school-house on branches of the north Merherrin River. Then Nov. 9, 1772 he sells this and Martha signs with him. Where did he go now? I find in the Land Office, Richmond, Va. in Henry Co., Va. Commonwealth's Grants Book G-432 p. 212, that Luke Thornton on June 1, 1782 was granted 237 acres on waters of Chestnut Creek on Walton's line.

This part of Henry Co. was made a part of Franklin Co. in 1785-6. So I find Luke Thornton of Franklin Co., Va. selling this land Nov. 3, 1787 (DB # I p. 317). I have not found any record of his serving in the Revolutionary War, but I'm sure he did and this land grant may have been for his services.

On Nov. 24, 1788 Luke Thornton buys 140 acres of land lying in the 96th District, Spartanburg Co. S.C. south of the Tyger River (DB # B p. 199). Then on Jan. 1, 1800 he buys 100 more on Ferguson's Creek waters

of the Tyger River (DB # F p. 429). I don't know what he did with this last, but he sold the 140 May 26, 1790 with Martha signing (DB # P p. 444).

Luke and Martha Thornton lived in the Friendship Community, a few miles southwest of Pauline, Spartanburg Co., S.C., and their names were on the roll of members of the Friendship Baptist Church there in 1801-04. Tradition is that they are buried in the old cemetery of that church. Between this time and 1810 Martha or both of them must have died because there is no household for them in 1810 census as there had been in 1790 and 1800. There are so many in this area that could be children of Luke and Martha's and I have found no will or estate settlement of them, so I will make no attempt to name their children except John, our line.

VI GENERATION

John Thornton was born ca 1765 in Lunenburg Co., Va. and died in the Stansel Community, Pickens Co., Ala. before 1850. He married Aug. 15, 1789 to Elizabeth Crow of S.C. Between 1800 and 1810, he bought 357 acres of land on the southside of the Tyger River in Spartanburg Co., S.C., including the 140 acres first owned by his father (DB # G p. 203, # I p. 128, # K p. 366, # N p. 296). By April 11, 1827 he had sold all this (DB # Q p. 343, # T p. 382, # U p. 233). Elizabeth signed with him.

Soon after this he comes to Alabama, for he is shown on the 1830 census of Pickens Co., Ala. with his wife and only two children left in their home, Thomas and John. He gets a grant of 80 acres of land in Pickens Co., Ala. on Nov. 6, 1833. If there were any other estate settlements, etc., on him, it was lost when the Pickens Co. Courthouse was burned. Elizabeth died after 1850, as she was in the home of her son, Elisha Thornton when that census was taken. Tradition is that they are buried in the Unity Baptist Church Cemetery near Olney, about 10 miles east of Aliceville, Ala. Now finally I know something definite about my Thorntons for I have a copy of John and Elizabeth Thornton's Bible now owned by James Elias Corder, Aliceville, Ala., giving their marriage date and birth and marriage dates of their children:

- 1 Mary Thornton b Sept. 19, 1790 d Sept. 20, 1837 m Capt. Peter Hamilton on July 9, 1807.
- 2 Elisha Thornton b Oct. 2, 1792 d Oct. 25, 1852 m (1) Sarah Alexander on Feb. 20, 1817 (2) Elizabeth H. Burroughs on Oct. 1, 1837.

- 9 Thomas Thornton b July 21 d May 28, 1900 m Elizabeth Robert about 1830.

Benjamin Barnett and Bethasheba Thornton are the parents of Elizabeth Barnett who married WILLIAM P. MORROW (see Morrrows # 746).

Our Turner Family

Roger Turner was in Lunenburg Co., Va. (now Franklin Co.) as early as 1748, according to the tithe list published by Bell in his *Sunlight on the Southside Lunenburg Co., Va.* p. 84. On p. 788 of Miss Fries's *Moravian Records* Soelle says when he was in Rowan Co., N.C. in 1773 that Roger Turner, Sr. was the oldest man in the neighborhood, being 84 years old and blind. That would make his birth date 1689 and probably in Virginia.

On Feb. 28, 1755 Earle Granville lets Roger Turner, Sr. a planter of Rowan Co., N.C. have 204 acres next to where he lives, on the east side of the old road leading from Shallowford to Salisbury on Turner Creek at Irish Ford in Rowan Co., N.C. (that part which became Surry Co.). Recorded in Book # 4 p. 858 Rowan Co. also in Surry Co.

On Jan. 26, 1761 Earle Granville let Roger Turner, Sr. planter of Rowan Co., N.C., have 575 acres of vacant land on the southwest side of the Yadkin River at the mouth of Turner's Creek (Book # 7 p. 25 Rowan Co.).

Dobson, Surry Co., N.C. File # 21A Book I p. 121 and in Raleigh Archives # 1491. Will of Roger Turner, Sr. of Surry Co., N.C.

"To my sons: Elias and Robert—my tract of land adjoining to the tract of land I now live on equally divided—should Elias die without heirs his half shall be given to Robert.

"To my sons: Thomas and Roger—500 shillings proe to be paid each of them by Exor. and no more.

"To my daughters: Hannah and Mary—500 shillings proe to be paid each of them by Exor. and no more.

"To my grandson Roger, son of Thomas—5 # proe to be paid by Exor. when he is 21 years.

"To my wife Elizabeth—all stock, cattle, sheep, hogs, furniture, and at her decease to be at her disposal—also free privileges of living on my plantation her lifetime and I desire son Elias to take care of her.

"Exor. my wife Elizabeth Turner.

"Made Feb. 2, 1775

"Recorded Nov. 1778

Signed: Roger (RT) (his mark) Turner."

RT was also used for his cattle mark. I have been told that he lived in the vicinity of Turner's Creek Church, south of Deep Creek on Turner's Creek in what is now Yadkins Co., N.C. I do not know the maiden name of Elizabeth nor when and where she was born, nor even her death date.

Their children:

- 1 Mary Turner—nothing known of her.
- 2 Hannah Turner—nothing known of her.
- 3 Roger Turner—left Surry Co. about 1784.
- 4 Thomas Turner—left Surry Co. about 1801.
- 5 Robert Turner—died in Revolutionary War (our line).
- 6 Elias Turner—died in Surry Co., N.C. 1769-85 unm.

II GENERATION

Robert Turner was born ca 1750 probably in Lunenburg Co., Va. and died 1778-81 in the Revolutionary War. His widow drew no pension because she remarried. The only knowledge we have of this is his grandson, Rev. Edward Marmakuke Turner of Greensboro, Ala., writing his son July 14, 1894, says "my grandfather and your great grandfather perished in the Revolutionary War." I have a copy of this letter signed by him. I also have this: "Robert Turner, Lieut. Stevenson's 10th North Carolina Regiment. Revolutionary War." This appears on a book copied from the original rolls Vol. 6 p. 54 Feaster. Does not give date of enlistment or term but under Casualties: Omitted June 1778. I believe this is our Robert but have not proved it.

Robert Turner inherited 446 acres of land from his father and brother, mostly on the southwest side of the Yadkins River (Willbook I p. 121, Willbook 2 p. 59, Deedbook 8 p. 136 Rowan Co., N.C.). Robert Turner's wife, Rhoda, was made administrator of his estate and the inventory was made Dec. 25, 1781. Rhoda brought her return to court in Aug. 1782 and it was recorded. This is all there is in this file—no mention of who his heirs are or who received his estate (pkg. # A-1480 Surry Co., N.C.).

Robert married Rhoda ca 1770. We do not know her maiden name but I have reason to think it was Taylor. Rhoda married a second time to Abel Carter on Mar. 5, 1793 and a third time to Edward Sweat on Dec. 20, 1795, both times in Surry Co., N.C. In that county Book 3 p. 102 is the estate settlement of Edward Sweat. His wife, Rhoda Sweat is appointed administrator Oct. 25, 1812. Other heirs named are son, Virtue Sweat, and daughter, Rebecca Sweat, who seem to be children by a former wife. Rhoda Sweat and her son, John Turner, sell to George Kimbrough, Jr., 356 acres of land on Dec. 13, 1882 for \$2500, located on the south side of the Yadkin River, west of Elias Turner's line and east of the Kimbrough line (DB S. p. 305). They moved soon to Walker Co., Ala. where Rhoda died 1830-40. The Surry Co. 1790 census shows her with 3 sons and 2 daughters.

- 1 Daughter—Rev. E. M. Turner's letter says she m and went to Missouri.
- 2 Elias Turner b 1773 in Surry Co. where he lived and died 1847 m (1) Sarah Davie or David on Nov. 27, 1797. She d in 1817 and he m (2) Elizabeth Chapman on Aug. 1, 1818. She died before Elias. (It is shown in Deedbook H p. 189 that Elias is son of Robert and Rhoda Turner.) Elias' children are named in his estate set. in # A-1500 & A-1489 Surry Co., N.C.
- 3 John Turner b 1774 (our line).
- 4 Andrew Robert Turner b ca 1776 d 1790-95 unm.—while in school, studying medicine. Rev. E. M. Turner names him and John as sons of Robert and Rhoda (also see Deedbook F p. 284 Surry Co.).
- 5 Daughter b ca 1778—nothing is known of her.

Surry Co., N.C. Marriages—Elizabeth Turner m George Blair on Oct. 13, 1801, bondman John D. Reans. Nancy Turner m James Standfield on Feb. 20, 1806, bondman Thomas Standfield. Could these two be daughters of Robert and Rhoda?

No one has joined DAR on service of Robert.

III GENERATION

Rev. John Turner was born Nov. 3, 1774 in Surry Co., N.C. and died July 14, 1853 near Vernon, Lamar Co., Ala. He is buried in the family cemetery in the yard of his home. His great-grandson, W. A. Turner of Birmingham, Ala., now owns the home, rents it, and has put a permanent fence around the graves.

Rev. John Turner was admitted into the Virginia Conference (Methodist) in 1797. His first appointments were New Bern, N.C., Caswell, N.C., Bottetourt, Va., and Mecklenburg. On Mar. 4, 1818 he was elected to the office of elder in the Methodist Church and recommended to the Virginia Annual Conference. From traveling in snow through those mountains, he developed bronchitis which impaired his health so much that in the succeeding Conference he was granted a location. He continued to preach as a local preacher when his health permitted. He came to Walker Co., Ala. settling several miles south of Jasper. For more than 25 years he preached to the scattered settlers and helped form the Walker Mission in 1834. Before this Mission was formed his membership and official relations were with the Blountsville charge. His house was one of the preaching places on the Mission. It's thought his ministry was more successful than if he had continued in regular work. When he moved to Greene Co. and later to Lamar Co., he continued to preach when his health permitted. As to his work in Va. Conference, see General Minutes from 1814 to 1820. We do not know the name of his first wife, but he married her around 1798 probably in Virginia. We know he had 4 children by her. He married a second time to Sarah Ann (Sally) Kimbrough on Feb. 3, 1819 in Surry Co., N.C. She was the daughter of Orman and Elizabeth (David) Kimbrough. You see by now that the Kimbroughs and Turners were neighbors.

On July 27, 1820 Rev. John and his wife, Sally, sold 150 acres of land inherited from her father's estate (DB P p. 367 Surry Co.) Rev. John and his mother, Rhoda Sweat, sold 356 acres. The Deeds there in book S p. 305 and the estate settlement of George Kimbrough #243A Surry Co. prove that Rev. John is the son of Rhoda and Robert Turner. He with all his family and his mother moved to southeast Walker Co., Ala. 1821-23. In 1844 he built a flatboat large enough to hold his slaves, family, stock, and crop and waited for a rise on the river and went down the Black Warrior River to White's Landing (below Steel's Bluff). They then moved out in the county about 8 miles and bought land known as the Old Turner Place in Greene Co., Ala. It is located about 1 mile off of a county road a few miles west of Knoxville, Ala.

In 1844 he moved to Lamar Co., Ala. a few miles west of Vernon. His will is filed on Fayette Co. but a deed in book 2 p. 714 at Vernon shows his son, J.W. Turner, as executor disposing of 320 acres of his land there. Sally continued to live there in the household of her son, Wm. A. Turner, until her death Feb. 14, 1879 and is buried in their family cemetery beside of her husband. Their children:

At the close of the war he decided to give his life to the Lord's service in Methodist Ministry, in 1865 admitted to Mobile Conference on trial. Serving many appointments, last being Greensboro in 1900. m (1) Lucetta Emma Crawford on Oct. 18, 1865. (2) to Rossine Gilder 1869.

IV GENERATION

John Kimbrough Turner was born April 10, 1820 in Surry Co., N.C. and died Feb. 28, 1890 in the Salem Community, Greene Co., Ala. He is buried there in the Salem Methodist Church Cemetery, about 8 miles north of Eutaw, Ala. He married Hannah Daniel of Jasper, Walker Co., Ala. on Aug. 18, 1842. Hannah was born to ? Thompson and Ann Warwick. Her father died and left 7 small children so Hannah was adopted by James Daniel and his wife Jane of Jasper, Ala. She was born Jan. 1, 1824 and died Aug. 9, 1908 and is buried by her husband at Salem. He came from Walker Co. to Greene Co. in 1844 and to 160 acres of land—to my understanding between the Buelah and Union Communities in Greene

Co., Ala., where he farmed, tanned leathers, and made leather goods. Their children:

- 1 James Daniel Turner b June 24, 1843 in Walker Co., Ala., when a young man he worked with his father in the tannery and during the Civil War he and his father made saddles and harnesses for the Confederate Army. - 4 William Harvy Turner b Nov. 1, 1848 m Anna M. Webb on June 4, 1873. She was daughter of Dr. Jim Webb of Scooba, Miss. They moved with him to Terrell, Texas where Wm. died about 1930 and is buried by his brother Robert.
- 5 John Orman Turner b Nov. 27, 1850 m Dec. 23, 1880 to a wealthy widow, Mrs. Elizabeth D. Herring in Springville, Ala. She had one son but she and Orman had no children. John O. Turner served as St. Clair Co., Ala. Supt. of Education before becoming State Supt. in 1894. During his term in office, he wrote circular letters to local Supts. of Education, making suggestions to improve school administration. He compiled "Public School Laws in Ala." which was printed during his administration. He served again as St. Clair Co. Supt. when he left the state post, doing so at time of his death Mar. 16, 1910. He and wife are buried in Ashville, Ala. He spent his life in the schoolroom and established several District Agricultural schools. Taught a number of years in Ashville and had the school chartered "Ashville College." Presented it with a nice library.
- 6 Sally Ann Turner b Feb. 5, 1853 d Jan. 15, 1953 in Hillsboro, Texas—lacking only a few days being 100 years old. m Moses S. Cockrell of Greene Co., Ala. on Oct. 16, 1873. Her children remained in Hillsboro.

#W21825 PENSION APPLICATION OF SAMUEL MORROW

"State of South Carolina

July the 20th 1833

Spartanburgh District

"Sir I received your of May 29th 1833 and will lay before you such facts as I recollect, for I have no written documents, nor I dont know where I could find men that could prove all my servesis, but I expect that there is men living that could prove them all, but the first monthes; but cant get them that could prove what I did before ——— was taken, nor I cant recollect dates nor the names of some officers that I served with, my servicesis being done in deferent Brigades. My parents lived in Chester District in 1776 wins recruiting Walker's company, and there was a few men tacken out of deferent company and put under Capt. Patton, and we marched about the first of April 1776 across Broad river and we were stationed at the house of Coln. Summers between Broad and Saluda river, in order to keep down the kings party in that vicinity and stayed till marched back and dismissed, served one month that touer—met more trups as we came in, going out, I dont know where they went—and on hearing of the British coming to town I again marched under Capt. Walker for town but hearing that they were defated at Fort Mootery (Moultrie) and gone. We were sent back out but a few days—I only mention it. And in the spring of 1779 I again marched under Capt. Walker with other companys to Orangeburg, and there a small army randevaused under Genl. Mootery and I think that Govenor Rutledge reviewed us there; from there we marched to Black Swamp near the Two Sister Fery on Savna river, and lay there till we heard that Genl. Provost was acrossing the river at (Puresburg or Huresburg?) and then Genl. Mootery made a forced march to get to Cooseyhachey bridge before him, and then crossed Julyfine river and then wait the aproach of the enemy and a detachment from our main body went and reinforced our main guard at Coosyhache bridge, and had a smart little scrimash. The said that it was Coln. Larance comanded, he was wounded in the arm, but we had all to rettate and burn the briges and fall trees behind us to retard there march till we could get into Charleston. And us and a detachment from Genl. Lincorns army got in before them. And one night while the lay before town an alarm rose that the were coming to storm us, and our fier comenced, and before it ceased I fired five rounds and the said that we kiled one of our own Colns. I thinck he got who was out with a party seting tare barels affier in our frunt. And the day before Stono battle it was said that five hundred me was to go out of town to join Genl Lincorn they marched us down to the river and left us standing there till morning that the boats came to tacke us across but the battle was over, and they landed us on Jamesis Island and marched us to the bank of Stono river joining Wapoo Cut and there we encamped, in sight of the enemts camps on the oather side of Stono and there came two Rogalys (or gun boats) to us and at night went up the

river to tacke a small vesel from the British that they had got in the river, and we could see the fier of every gun that was fired, the came back with there prise and four dead men, and eight wounded. And when the enemy went of, we were brought back to Charleston and paid off. In that touer I served four monthes and nine days, and served as a Corporal that time —no writen discharge.

"And the fall of the year (1779) before Charleston was tacken (May 12, 1780) my parents moved in this District Spartanburg. And as soon that word could come that the two was tacken the Torys was in arms atacking and disarming all the Whiges that the could, and we were up in armes to opose them. I thinck by the 20th of May 1780 under our officers and it was not later then the sixth or seventh of June if not before it that we had to lave this District. I was in Capt. Robucks Company Thomases Regt. but the old Coln. did not go with us but his son Major John Thomas and we colected what forces we could at Coln. Hills Iron Works and joined Genl. Retherford of N.C. and went to Ramsourses but the battle was over a few hours before we got there. We then marched down towards the Cataba nation, and apointed Sumter Genl. and Capt. McClure being my kinsman and several more of his men and almost all of them my acquaintances I joined his company Coln Lacys Regt. and served in that company as stated in my declartion. At Rockey Mount Coln. Neel was kiled. We had to lave the enemy at the Hanging Rock. Capt. McClure received his death wound and as well as I can recolect 24 more of his company was kiled and wound but we kept the ground and in Sumters defate I lost my horse and all but my hat shirt and overalls shot bag and rifle and thir I discharged three duble leaded and twice with good efect and we rande-voused at Sharlot, N.C. and that day weeck of the defate I came into this state with Coln. Lacy and a small party. I was on foot and bare footed. They got me a horse, and the Torys drove us back again. The nixt battle was Kings Mountain and when the Brgds, parted I came with Willianson (he was killed at Kings Mountain) in Robucks Company Thomas Regt.

"And could but just call to see my parents for we were constant on duty sometime in companys sometimes in Regts. as it was needed far we were all mounted, and had no forage wagons and had often to part to get forage and provisions. Our miletery operations was much varied after Charleston was tacken from what th were before for we had to fight our own country men, and we were as a flying camp for sometimes we would be 20 miles of in the morning from where we camped at night. Sometimes to atect and sometimes to escape being atected, just before the battle at Black Stocks we all joined Genl. Sumters Brigid. Gen. Sumter was wounded there and Lacy took the comand and when the Brigds, parted I went on with Lacy's Brigid. with my brother and the rest of my old brother soldiers now comanded by Cpt. John Mills And wen Lt. Cornwallace was marching up through Chester District Capt. Mills and Adams and there companys was detached of and left for to keep down the Torys and small parties from plundering the Whigs and to fight and hide as well as we could while the rest was befor the enemy. We had our headquarters in the Cataba Indian land and salied out from there. We defated a small party of the Torys, and one night went on the reare of Genl. (Lesslys?) Brigid. and toock two regular Cpts. and a Lt. Scotchmen and a Tory, and I still continued in the company till I toock the smallpox in camp some where

up the river above where Columbia is now and Coln. Lacy sent my brother with me to get me to some of my relations in Chester. There was three deaths in the house while I lay, and in about nine weeks I go so that I could ride about some, and I took a relapse and was brought very low, and lay for near six weeks more and as soon as I well could ride I went to the sege of Ninty Six and the first night that I was able I was dooing such duty as the Coln. required of me for I counted the service my home while my country needed it, and onely there was me and my horse provided for.

"And I was in the state trups three weeks in the place of my brother John Morrow in Capt. John Millses Company Coln. Wade Hamtons Regt. I don't know the date but before I left the troop word came that Lt. Cornwalas had surrendered. I then went under Coln. Lacy I cannot tell where through the state, one day while with a detached party under Coln. McGriss (or McGref) we were a little a while with Coln. Washington's troop of horses and shortly after that one day we were atected with apart of the enemy that was stationed at a church near Monks Corner but we drove them back, and the set the church afier and retreated and we folowed and joined oather forces. Coln. Lees, Coln. Washingtons and our State trupes and there was a good number of them tacken the rest got into houses and we had to lave them not very fare from Charleston, it was said we did this fiting the regular troops assisted in tacking the prisons. I mention this expecting that there is a record of it, after that Coln. Lees troop and us camped one night together on the banck of Santee. I was in several atects with the enemy in diferent parts of the state and in some of them more kiled and wounded to the number then in larger bodys, that I expect that there is no regular record of. And my serves was don in the state from the mountains to the seaboard and was not out of it only when our troops went out of it, still continued under Lacy comand and had no home there but in the service and we were often in small parties per-suring the Torys, and sometimes them after us. So that from when Charleston was tacken till about the end of 1781 I undertook no oather work but the service of my country what time I was able to do it and in 1782 I did some small scouting touers, and was stationed by order of the Coln. not less than three weeks at a block house at Coln. Lacys with a sargants guard while him and his comand was marched somewhere out of the vicinity. The blockhouse was built for a safe guard for his house and family and a safe retrrate for small parties to fly to in time of danger and rayenforce it.

"So that in sickness and serveses I served two years and one month:

	years	months	days
Under Capt. Patton one month	0	1	0
Under Capt. Walker Genl. Moolery, as corporal	0	4	9
From the first of June 1780 to end of the year	0	7	0
From the first of Janury 1781 to the end of the year	1	0	0
In 1782 three at Lacys blockhouse	0	0	21
Total service	2	1	0

"Not less then that time I served faithfully what time I was able, but I think that there was near twenty weeks that I did very little service in aney out of the bounds of Lacys Regmt. I have stated some facts to

show how it was that my servesis was so devided in diferent Brigads. and deferent parts of the state but all my statements is corect to the best of my knowledge and memory for my memory is much failed as well as my body.

Your with due respect

Here is a copy of a letter sent in with Samuel Morrow's application for pension, written by Elisha Bomar, Clerk of Court for the District of Spartanburg, S.C.:

"I herewith return the paper of Samuel Morrow for a pension. The old gentleman has made the amendments in his own language, has given a short historical account of his Revolutionary services. The old gentleman is an Irishman, who during the Rev. War, as I have always understood and fully believe, made the army his home during the war. I am fully of the opinion I hazard nothing in saying he maybe classed amoung the first citizens in this state or in the United States or in the world, for uprightness of conduct, truth and integrity, morality, and christianity. He is one of those of whom all men speak well. Your immediate attention will be much obliged by him. With regards.

Signed: E. Bomar. 24th July 1833."

LAND ACQUIRED BY SAMUEL MORROW

- 250 acres in 96th District land grand 27 June 1784 (Sec. of State, Columbia)
- 125 acres bought on Dutchman Creek, Spartanburg Co., 4 May 1795 (Deed-book D p. 33)

When they came to Spartanburg County they joined Fair Forest Presbyterian Church, located on a hill overlooking Fair Forest Creek about 5 miles northeast of Glenn Springs, two miles east of Highway # 18. Soon after you turn off Highway # 18, there is a new cattle barn which you go through into a pasture and follow an old road bed into an area of full-grown trees; you continue till you come to a group of 6 or more large white poplar trees and a few piles of brick. This where the old Fair Forest Presbyterian Church stood and in its yard is the cemetery. You will need a guide to find it. Mr. Charles M. Cunningham of Rt. # 1 Pauline, S.C. was ours. Here are buried Samuel Morrow and wife. Their graves are encased with a brick wall about two feet high, topped with a marble slab. Both were in good condition in 1955. Inscriptions were:

This is a picture of the home of Mr. and Mrs. Frank Irvin Eatman, Mantua, Ala., made May 5, 1956 by Ophelia M. Phillips. In the left front downstairs room on the inside of the closet door is this bit of history about this house.

"This house was built in 1846 for Rush Morrow's grand parents, Kerge and Bessie Morrow. Rush Morrow's parents, Monroe and Harriet Morrow lived here and moved from here to Eutaw. Mrs. Jane Rhodes's father help build this house. Mary Snoddy and C. I. Eatman were married Oct. 1, 1874 and moved into this house 1885. Their son, F. Irvin Eatman was born here Oct. 21, 1885. The last two children born here were:

Curtis Irvin Eatman — Nov. 18, 1920

Mary Patton Eatman — Jan. 18, 1925."

Kerge and Bessie are Col. William Nelson and Elizabeth (Storey) Morrow, the great-great-grandparents of Ophelia M. Phillips of Tuscaloosa, Ala.

MORROW COAT OF ARMS

Description of this Morrow Coat of Arms:

"Argent 3 Moor's heads cabossed distilling drops of blood proper, wreathed about with bay leaves vert."

Crest—a dexter arms from the shoulder issuing out of a cloud holding a branch of laurel slipped.

Motto—VIRTUTE NON ALITER (by virtue, not otherwise).

I found this Coat of Arms in the home of Miss Harriett Sellers of Pauline, S.C. She lent it to me so I could have one of my own painted. It had come to her through descendents of Capt. John Morrow. He was one of the three of nine children of Major Samuel Morrow, who remained in South Carolina. He lived on his father's homelace.

Practically all Morrow families I have traced are Presbyterians of Scotch descent, who left Scotland with dissenters and came to North Ireland. By the time they reached America, they were called Scotch-Irish.

In ancient times the name was spelled many ways: MacMurrough, Morrogh, Morrah, Morey, Murcha, Marrow, Morerawe, Murrow, Murrah, Murry, and Morrow. The last is most generally accepted in America today.

It seems that the first ambition of these Morrows was to be good and honest "plain folks" and after that, whatever they could.
